DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Proposed Extension of Existing Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Division of Longshore and Harbor Workers' Compensation is soliciting comments concerning the proposed collection: Carrier's Report of Issuance

of Policy (LS-570). A copy of the proposed information collection request can be obtained by contacting the office listed below in the **ADDRESSES** section of this Notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before October 29, 2012.

SUPPLEMENTARY INFORMATION:

I. Background: The form LS-570 is completed by the insurance carrier and forwarded to the Department of Labor for review. The Longshore and Harbor Workers' Compensation staff review the completed LS-570 to identify those operators who have secured insurance for payment of Longshore benefits as required by 20 CFR 703.116. This clearance allows Longshore to gather information from both Federal and non-Federal users. This information collection is currently approved for use through December 31, 2012.

II. Review Focus: The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * Enhance the quality, utility and clarity of the information to be collected; and

- * Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions: The Department of Labor seeks the approval of the extension of this currently approved information collection. The information is necessary (i) to ensure compliance by employers, (ii) to bind the carrier to the liabilities of the employer under 20 CFR

703.118 and (iii) so that the districts can identify the correct carrier for claims to ensure prompt payment of compensation to injured workers.
