On July 10, 2012, the Department published a notice of initiation of the administrative reviews of the antidumping duty orders on ball bearings and parts thereof from France and Italy in accordance with section 751(a) of the Tariff Act of 1930 (the Act) and 19 CFR 351.221(c)(1)(i). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocations in Part*, 77 FR 40565 (July 10, 2012).

Rescission of Reviews

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, "if a party that requested a review withdraws the request within 90 days of the date

of publication of notice of initiation of the requested review.” The following companies timely filed requests for review and submitted timely withdrawals of their requests between June 29 and July 24, 2012:

Country	Company

The Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection within 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested.
