**SUPPLEMENTARY INFORMATION:**

**A. Requirements for Baby-Bouncers and Walker-Jumpers**

One CPSC regulation bans any product known as a baby-bouncer, walker-jumper, or similar article if it is designed in such a way that exposed parts present hazards of amputations, crushing, lacerations, fractures, hematomas, bruises or other injuries to children's fingers, toes, or other parts of the body. 16 CFR 1500.18(a)(6). A second CPSC regulation establishes criteria for exempting baby-bouncers and walker-jumpers from the banning rule under specified conditions. 16 CFR 1500.86(a)(4). The exemption regulation requires certain labeling on these products and their packaging to identify the name and address of the manufacturer or distributor and the model number of the product. Additionally, the exemption regulation requires that records must be established and maintained for three years relating to testing, inspection, sales, and distributions of these products. The regulation does not specify a particular form or format for the records. Manufacturers and importers may rely on records kept in the ordinary course of business to satisfy the recordkeeping requirements if those records contain the required information.

If a manufacturer or importer distributes products that violate the banning rule, the records required by section 1500.86(a)(4) can be used by the manufacturer or importer and the CPSC: (i) to identify specific models of products that fail to comply with applicable requirements; and (ii) to notify distributors and retailers if the products are subject to recall.

**B. Estimated Burden**

CPSC staff estimates that about 25 firms are subject to the testing and recordkeeping requirements of the regulations. Firms are expected to test on the average two new models per year per firm. CPSC staff estimates further that the burden imposed by the regulations on each of these firms is approximately 1 hour per year on the recordkeeping requirements and 30 minutes or less per model on the label requirements. Thus, the annual burden imposed by the regulations on all manufacturers and importers is approximately 50 hours on recordkeeping (25 firms × 2 hours) and 25 hours on labeling (25 firms × 1 hour) for a total annual burden of 75 hours per year.

CPSC staff estimates that the hourly wage for the time required to perform the required testing and recordkeeping is approximately \$61.24 (Bureau of Labor Statistics: Total compensation rates for management, professional, and related occupations in private goods-producing industries, December, 2011) and that the hourly wage for the time required to maintain the required records is about \$27.33 (Bureau of Labor Statistics: Total compensation rates for sales and office workers in private goods-producing industries, December 2011). The annualized total cost to the industry is estimated to be \$3,745.

The Commission will expend approximately 2 days of professional staff time reviewing records required to be maintained by the regulations for baby-bouncers, and walker-jumpers. The annual cost to the federal government of the collection of information in these regulations is estimated to be about \$165. This is based on an average hourly wage rate of \$57.13 (the equivalent of a GS–14 Step 5 employee) with an additional 30.2 percent added for benefits (BLS, Percentage of total compensation comprised by benefits for all civilian management, professional, and related employees, December 2011), or \$82.56 × 2 hours.

### Office of the Secretary

#### Renewal of U.S. Naval Academy Board of Visitors

**AGENCY:** DoD.

**ACTION:** Renewal of Federal Advisory Committee.

**SUMMARY:** Under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b), and 41 CFR 102-3.50(d), the Department of Defense gives notice that it is renewing the charter for the U.S. Naval Academy Board of Visitors (hereafter referred to as “the Board”).

The Board is a non-discretionary federal advisory committee that shall provide independent advice and recommendations to the President of the United States on matters relating to but not limited to morale and discipline, curriculum, instruction, physical equipment, fiscal affairs, academic methods and other matters relating to the United States Naval Academy that the Board decides to consider.

The Board shall visit the Naval Academy annually, and any other official visits by the Board or its members to the Academy, other than the annual visit, shall be made in compliance with the requirements set forth in 10 U.S.C. 6968(d). The Board shall submit a written report to the President of the United States within 60 days after its annual visit to the Naval Academy, to include the Board's views and recommendations pertaining to the Academy, including its advice and recommendations on matters set forth in the paragraph above. Any report of a visit, other than an annual visit, must be made pursuant to 10 U.S.C. 6968(f).

The Board, pursuant to 10 U.S.C. 6968(a), shall be constituted annually and shall be composed of no more than 15 members. The Board membership shall include:

a. The Chairman of the Committee on Armed Services of the Senate, or his designee;

b. Three other members of the Senate designated by the Vice President or the President pro tempore of the Senate, two of whom are members of the Committee on Appropriations of the Senate;

c. The Chairman of the Committee on Armed Services of the House of Representatives, or his designee;

d. Four other members of the House of Representatives designated by the Speaker of the House of Representatives, two of whom are members of the Committee on Appropriations of the House of Representatives; and

e. Six persons designated by the President.

Board members designated by the President shall serve for three years each, except that any member whose term of office has expired shall continue to serve until his successor is appointed. In addition, the President shall

designate two persons each year to succeed the members whose terms expire that year. If a Board member dies or resigns, a successor shall be designated for the unexpired portion of the term by the official who designated the member.

The Board members shall select the Board's Chairperson from the total membership. With the exception of travel and per diem for official travel, Board members shall serve without compensation.

The Board, pursuant to 10 U.S.C. § 6968(g) and (h), may upon approval by the Secretary of the Navy, call in advisers for consultation, and these advisers shall, with the exception of travel and per diem for official travel, serve without compensation.

With DoD approval, the Board is authorized to establish subcommittees, as necessary and consistent with its mission. Establishment of subcommittees will be based upon written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Board's sponsor.

Such subcommittees or workgroups shall not work independently of the chartered Board, and shall report all their recommendations and advice to the Board for full deliberation and discussion. Subcommittees or workgroups have no authority to make decisions on behalf of the chartered Board; nor can they report directly to the Department of Defense or any Federal officers or employees who are not Board members.

Subcommittee members shall be appointed by the Secretary of Defense even if the member in question is already a Board member. Subcommittee members, with the approval of the Secretary of Defense, may serve a term of service on the subcommittee of one-to-four years; however, no member shall serve more than two consecutive terms of service on the subcommittee.

Subcommittee members, if not full-time or part-time government employees, shall be appointed by the Secretary of Defense according to governing DoD policy and procedures. Such individuals shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. 3109, and shall serve as special government employees, whose appointments must be renewed by the Secretary of Defense on an annual basis.

All subcommittees or working groups shall operate under the provisions of FACA, the Government in the Sunshine Act, governing Federal statutes and regulations, and governing DoD policies/procedures.
