

subject to civil penalties for its knowing failure to report, as required under section 15(b) of the CPSA, 15 U.S.C. 2064(b).

Response of Haier America Trading, LLC

12. Haier America denies the Staff's allegations, including, but not limited to, that the Blenders contain a defect that could create a substantial product hazard or create an unreasonable risk of serious injury or death, and that Haier America failed to timely notify the Commission in accordance with Section 15(b) of the CPSA, 15 U.S.C. 2064(b).

13. Haier America notified CPSC upon discovering that a nut securing the blade assembly had not been consistently tightened during production of certain units of the Blenders. Haier America was (and is) aware of only one report of a minor cut to a consumer's hand, associated with the reported issue, which did not require medical attention. Haier America conducted a voluntary recall of the Blenders to replace the blade assembly pursuant to CPSC's Fast Track recall program, acting to reduce the risk of injury, in furtherance of its customers' best interests.

Agreement of the Parties

14. Under the CPSA, the Commission has jurisdiction over this matter and over Haier America.

15. In settlement of staff's allegations, Haier America shall pay a civil penalty in the amount of \$850,000.00 within 20 calendar days of receiving service of the Commission's final Order accepting the Agreement. The payment shall be made electronically to the CPSC via www.pay.gov.

16. The parties enter into this Agreement for settlement purposes only. The Agreement does not constitute an admission by Haier America, nor does it constitute a determination by the Commission, that Haier America violated the CPSA's reporting requirements.

17. In consideration of Haier America's payment, the Commission agrees to release Haier America, as well as its current and former directors, officers, employees, agents and representatives from any civil claim that the Commission has or may have against those parties arising out of or relating to the recall of the Blenders announced on December 2, 2009, or the Staff's allegations that Haier America failed to report in a timely manner a potential hazard involving the Blenders.

18. Upon provisional acceptance of the Agreement by the Commission, the Agreement shall be placed on the public

record and published in the **Federal Register** in accordance with the procedures set forth in 16 C.F.R. 1118.20(e). If the Commission does not receive any written request not to accept the Agreement within 15 calendar days, the Agreement shall be deemed finally accepted on the 16th calendar day after the date it is published in the **Federal Register**, in accordance with 16 C.F.R. 1118.20(f).

19. Upon the Commission's final acceptance of the Agreement and issuance of the final Order, Haier America knowingly, voluntarily, and completely waives any rights it may have in this matter to the following: (a) an administrative or judicial hearing; (b) judicial review or other challenge or contest of the Commission's actions; (c) a determination by the Commission of whether Haier America failed to comply with the CPSA and the underlying regulations; (d) a statement of findings of fact and conclusions of law; and (e) any claims under the Equal Access to Justice Act.

20. The Commission may publicize the terms of the Agreement and the Order.

21. The Agreement and the Order shall apply to, and be binding upon, Haier America and each of its successors and/or assigns.

22. The Commission issues the Order under the provisions of the CPSA, and a violation of the Order may subject Haier America and each of its successors and/or assigns to appropriate legal action.

23. The Agreement may be used in interpreting the Order. Understandings, agreements, representations, or interpretations apart from those contained in the Agreement and the Order may not be used to vary or contradict the terms of the Agreement and the Order. The Agreement shall not be waived, amended, modified, or otherwise altered without written agreement thereto, executed by the party against whom such waiver, amendment, modification, or alteration is sought to be enforced.

24. If any provision of the Agreement or the Order is held to be illegal, invalid, or unenforceable under present or future laws effective during the terms of the Agreement and the Order, such provision shall be fully severable. The balance of the Agreement and the Order shall remain in full force and effect, unless the Commission and Haier America agree that severing the provision materially affects the purpose of the Agreement and Order.
