### Agency Information Collection Activities; Submission to OMB for Review and Approval; Public Comment Request

**ACTION:** Notice.

**SUMMARY:** In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Electronic Government Office (EGOV), Department of Health and Human Services, will submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB) for review and approval. The ICR is for renewal of the approved information collection assigned OMB control number 4040-0005, scheduled to expire on October 31, 2012. The ICR

also requests categorizing the form as a common form, meaning HHS will only request approval for its own use of the form rather than aggregating the burden estimate across all Federal Agencies as was done for previous actions on this OMB control number. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public on this ICR during the review and approval period.

**Deadline:** Comments on the ICR must be received within 30 days of the issuance of this notice.

**ADDRESSES:** Submit your comments, including the OMB control number 4040-0005 and document identifier HHS-EGOV-17342-30D, to [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov) or via facsimile to (202) 395-5806. Copies of the supporting statement and any related forms may be requested via email to [Information.Collection.Clearance@hhs.gov](mailto:Information.Collection.Clearance@hhs.gov) or by calling (202) 690-6162.

**Information Collection Request Title:** SF-424 Individual.

**Abstract:** The SF-424 Individual form is the standard Federal form for grant applications for individuals. It replaced numerous agency-specific forms.

**Burden Statement:** Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

HHS estimates that the SF-424 Individual form will take 1 hour to complete. We expect that 1 respondent will use this form.

Once OMB approves the use of this common form, federal agencies may request OMB approval to use this common form without having to publish notices and request public comments for 60 and 30 days. Each agency must account for the burden associated with their use of the common form.
