SUPPLEMENTARY INFORMATION:

Background

The Secretarial Commission on Indian Trust Administration and Reform was established under Secretarial Order No. 3292, dated December 8, 2009. The Commission plays a key role in the Department's ongoing efforts to empower Indian nations and strengthen nation-to-nation relationships.

The Commission will complete a comprehensive evaluation of the Department's management and administration of the trust assets within a two-year period and offer recommendations to the Secretary of the Interior on how to improve in the future. The Commission will:

- (1) Conduct a comprehensive evaluation of the Department's management and administration of the trust administration system;
- (2) Review the Department's provision of services to trust beneficiaries;
- (3) Review input from the public, interested parties, and trust beneficiaries, which should involve conducting a number of regional listening sessions;
- (4) Consider the nature and scope of necessary audits of the Department's trust administration system;
- (5) Recommend options to the Secretary to improve the Department's management and administration of the trust administration system based on information obtained from the Commission's activities, including whether any legislative or regulatory changes are necessary to permanently implement the improvements; and
- (6) Consider the provisions of the American Indian Trust Fund Management Reform Act of 1994 providing for the termination of the Office of the Special Trustee for American Indians, and make recommendations to the Secretary regarding termination.

Endangered and Threatened Wildlife and Plants; Recovery Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comments.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following application for a permit to conduct activities with the purpose of enhancing the survival of endangered species. The Endangered Species Act of 1973, as amended (Act), prohibits certain activities with respect to endangered species unless a Federal permit allows such activity. The Act also requires that we invite public comment before issuing such permits.

DATES: To ensure consideration, please send your written comments by December 14, 2012.

ADDRESSES: Endangered Species Program Manager, Ecological Services, U.S. Fish and Wildlife Service, Pacific Regional Office, 911 NE 11th Avenue, Portland, OR 97232-4181. Please refer to the permit number for the application when submitting comments.

FOR FURTHER INFORMATION CONTACT: Colleen Henson, Fish and Wildlife Biologist, at the above address or by telephone (503-231-6131) or fax (503-231-6243).

SUPPLEMENTARY INFORMATION:

Background

The Act (16 U.S.C. 1531 *et seq.*) prohibits certain activities with respect to endangered and threatened species unless a Federal permit allows such activity. Along with our implementing regulations in the Code of Federal Regulations (CFR) at 50 CFR 17, the Act provides for certain permits, and requires that we invite public comment before issuing these permits for endangered species.

A permit granted by us under section 10(a)(1)(A) of the Act authorizes the permittee to conduct activities (including take or interstate commerce) with respect to U.S. endangered or threatened species for scientific purposes or enhancement of propagation or survival. Our regulations implementing section 10(a)(1)(A) of the Act for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

Applications Available for Review and Comment

We invite local, State, and Federal agencies, and the public to comment on the following application. Please refer to the appropriate permit number for the application when submitting comments.

Documents and other information submitted with this application are

available for review by request from the Endangered Species Program Manager at the address listed in the **ADDRESSES** section of this notice, subject to the requirements of the Privacy Act (5 U.S.C. 552a) and Freedom of Information Act (5 U.S.C. 552).

Permit Number: TE-84876A

Applicant: Andersen Air Force Base, Yigo, Guam

The applicant requests a recovery permit to remove and reduce to possession (collection of seed pods, seeds, flowers, cuttings, and seedlings) *Serianthes nelsonii* (Hayun lagu) in conjunction with captive propagation and future outplanting for the purpose of enhancing its survival.

Public Availability of Comments

All comments and materials we receive in response to this request will be available for public inspection, by appointment, during normal business hours at the address listed in the **ADDRESSES** section of this notice.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority:

We provide this notice under section 10 of the Act (16 U.S.C. 1531 *et seq.*).

Dated: October 18, 2012.

SUPPLEMENTARY INFORMATION:

Introduction

With this notice, we finalize the CCP process for Charles M. Russell and UL Bend NWRs. We started this process through a notice in the **Federal Register** (72 FR 68174, December 4, 2007). Following a lengthy scoping and alternatives development period, we published a second notice in the **Federal Register** (75 FR 54381, September 7, 2010), announcing the availability of the draft CCP and draft EIS and our intention to hold public meetings, and requesting comments. We then published a third notice in the **Federal Register** (75 FR 67095, November 1, 2010), extending the comment period by 24 days to December 10, 2010.

Charles M. Russell and UL Bend NWRs encompass nearly 1.1 million acres, including Fort Peck Reservoir in north central Montana. The Refuges extend about 125 air miles west from Fort Peck Dam to the western edge at the boundary of the Upper Missouri Breaks National Monument. UL Bend NWR lies within Charles M. Russell NWR. In essence, UL Bend NWR is a
