Additions

On 9/28/2012 (77 FR 59596-59597),
the Committee for Purchase From
People Who Are Blind or Severely
Disabled published notice of proposed
additions to the Procurement List.

After consideration of the material
presented to it concerning capability of
qualified nonprofit agency to provide
the products and impact of the
additions on the current or most recent
contractors, the Committee has
determined that the products listed
below are suitable for procurement by
the Federal Government under 41 U.S.C.
8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will
not have a significant impact on a
substantial number of small entities.
The major factors considered for this
certification were:

1. The action will not result in any
additional reporting, recordkeeping or
other compliance requirements for small
entities other than the small
organization that will furnish the
products to the Government.

2. The action will result in
authorizing a small entity to furnish the
products to the Government.

3. There are no known regulatory
alternatives which would accomplish
the objectives of the Javits-Wagner-
O'Day Act (41 U.S.C. 8501-8506) in
connection with the products proposed
for addition to the Procurement List.

End of Certification

Accordingly, the following products are
added to the Procurement List:
