

amended by section 6202(a) of Public Law 110–252 (*see* 31 U.S.C. 6101 note). The DOC incorporates the award term required by Appendix A of 2 CFR part 170 into all financial assistance awards. *See* <http://www.gpo.gov/fdsys/pkg/CFR-2011-title2-vol1/pdf/CFR-2011-title2-vol1-part170-appA.pdf> for the full award term.

(c) *Central Contractor Registration (CCR) and Universal Identifier Requirements.* Unless an exemption applies under 2 CFR § 25.110, applicants for federal financial assistance awards must be registered in the Central Contractor Registration (CCR) prior to submitting an application for financial assistance, maintain an active CCR registration with current information at all times during which it has an active Federal award or an application under consideration by an agency, and provide its DUNS number in each application it submits to the agency. For this purpose, the DOC incorporates the award term required by Appendix A of 2 CFR part 25 into all financial assistance awards. *See* <http://www.ecfr.gov/cgi-bin/text-idx?c=ecfr&SID=d1bbde1c530112e7133a03bb635bf2fe&rgn=div9&view=text&node=2:1.1.1.3.3.1.14.1&idno=2> for the full award term.

C. In limited circumstances (*e.g.*, when required by statute), the DOC will issue a **Federal Register** notice, in addition to a notice on www.grants.gov, announcing the availability of Federal funds for each DOC competitive financial assistance program. Unless statute or regulation requires otherwise, such **Federal Register** notices will contain only the following program-specific information: Summary description of program; deadline date for receipt of applications; addresses for submission of applications; information contacts (including electronic access); the amount of funding available; statutory authority; the applicable Catalog of Federal Domestic Assistance (CFDA) number(s); eligibility requirements; cost-sharing or matching requirements; Intergovernmental Review requirements; evaluation criteria used by the merit reviewers; selection procedures, including funding priorities/selection factors/policy factors to be applied by the selecting official; and administrative and national policy requirements; and information about how to access the full program notice at www.grants.gov.

D. The DOC follows the uniform format for an announcement of Federal Funding Opportunity (FFO) for discretionary grants and cooperative agreements established by OMB in a guidance published in the **Federal**

Register (see 68 FR 37370 (June 23, 2003) and 68 FR 58146 (October 8, 2003)). FFOs published by DOC are available at www.grants.gov. Applicants are strongly encouraged and in some cases required to apply through www.grants.gov. It can take up to two weeks to register with www.grants.gov if problems are encountered. Registration is required only once. Applicants should consider the time needed to register with www.grants.gov, and should begin the registration process well in advance of the application due date if they have never registered. Applicants should allow themselves adequate time to submit the proposal through www.grants.gov, as the deadline for submission generally cannot be extended and there is significant potential for human or computer error during the electronic submission process. After registering, it may take several days or longer from the initial log-on before a new Grants.gov system user can submit an application. Only authorized individual(s) will be able to submit the application, and the system may need time to process a submitted proposal. Applicants should save and print the proof of submission they receive from Grants.gov, which may take up to two days to receive.

SUMMARY: On June 8, 2012, the Department of ("the Department") published its preliminary results of the antidumping duty administrative review

of the antidumping duty order on oil country tubular goods ("OCTG") from the People's Republic of China ("PRC").¹ The period of review ("POR") is May 19, 2010, through April 30, 2011.² The Department determined that Jiangsu Chengde Steel Tube Share Co., Ltd. ("Jiangsu Chengde"), Taizhou Chengde Steel Tube Co., Ltd. ("Taizhou Chengde"), and Yangzhou Chengde Steel Tube Co., Ltd. ("Yangzhou Chengde") (collectively "the Chengde Group")³ made sales of subject merchandise in the United States at prices below normal value ("NV") during the POR. We invited interested parties to comment on our preliminary results. Based on our analysis of the comments received, we made changes to our margin calculations for the Chengde Group. The final weighted-average dumping margins for this review are listed in the "Final Results Margins" section below.

Background

On June 8, 2012, the Department published its preliminary results in the antidumping duty administrative review of OCTG from the PRC.⁴ On September 12, 2012, the Department released draft liquidation and cash deposit customs instructions to interested parties inviting comments by September 17, 2012, and rebuttal comments by September 20, 2012. American Tubular Products, LLC ("ATP") submitted comments on September 17, 2012 and U.S. Steel Corporation ("U.S. Steel") submitted rebuttal comments on September 20, 2012.

Also on September 20, 2012, the Department extended the deadline for the final results of review to December 5, 2012.⁵ In addition, as explained in the memorandum from the Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 29, through October 30, 2012. Thus, all deadlines in this segment of the proceeding have been extended by two days. The revised deadline for the final results of this review is now Friday, December 7, 2012.⁶
