DEPARTMENT OF AGRICULTURE

Rural Business-Cooperative Service

Rural Utilities Service

7 CFR Part 4279

RIN 0570-AA87

Definitions and Abbreviations

AGENCY: Rural Business-Cooperative Service, Rural Utilities Service, USDA.
ACTION: Direct final rule.

SUMMARY: The Rural Business-Cooperative Service is amending its regulations for the Business and Industry Guaranteed Loan Program to clarify that the Agency guarantee does not cover default and penalty interest or late charges. The Agency's regulations are currently silent on this issue. However, it has always been the Agency's policy not to pay out additional cost for default interest, penalty interest, and late charges calculated and submitted on a final report of loss claim under the Loan Note Guarantee. The Agency does permit the lender to charge default interest with prior Agency approval. By defining "interest" in the definition section of the regulation and clarifying the Agency's policy as it relates to default interest, penalty interest, and late charge, this will avert any misunderstandings.

DATES: This rule will become effective April 13, 2012 without further action unless the Agency receives written adverse comments or written notices of intent to submit adverse comments on or before March 14, 2012. If the Agency receives adverse comments or notices, the Agency will publish a timely document in the **Federal Register** withdrawing the amendment.

Any adverse comments received will be considered under the proposed rule published in this edition of the **Federal**

Register in the proposed rule section. A second public comment period will not be held. Written comments must be received by the Agency or carry a postmark or equivalent no later than March 14, 2012.

ADDRESSES: You may submit adverse comments or notice of intent to submit adverse comments to this rule by any of the following methods:

E-Government Act Compliance

Rural Development is committed to complying with the E-Government Act, to promote the use of the Internet and other information technologies, to provide increased opportunities for citizens to access Government information and services electronically.

I. Background

The Agency reviewed 7 CFR 4279.2 which is composed of two paragraphs, the first of which is pertinent.

Section 4279.2(a) discusses the definitions, which has thirty-seven terms used in the Guaranteed Loanmaking. The definitions and

abbreviations contained in § 4279.2 also apply to the Business and Industry Guaranteed Loan Servicing regulations and, unless otherwise noted, the Biorefinery Assistance Loan Program and the Rural Energy for America Program. Currently, the Agency regulations do not define or otherwise address "interest", "default interest", "penalty interest", or "late charges". However, it is the Agency's policy not to pay out additional cost for default interest, penalty interest, and late charges calculated and submitted on a final report of loss claim under the Loan Note Guarantee. However, lender's Promissory Note may contain provisions for default or penalty interest, or late charges with prior Agency approval.

II. Discussion of Change

The Agency is revising § 4279.2(a), to address the situation discussed in the "Background" section. Specifically, the Agency is adding a paragraph in § 4279.2(a), after the term "Holder" and before the term "Interim Financing", which will define "Interest." The change being made by this rule is to clarify that "interest" does not include default or penalty interest, or late fees. The lender may charge the borrower these fees with prior Agency approval. Accordingly, the Agency is making the changes in this direct final rule.

Airworthiness Directives; The Boeing Company Airplanes

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: We are adopting a new airworthiness directive (AD) for all The Boeing Company Model 737-600, -700, -700C, -800, -900, and -900ER series airplanes. This AD was prompted by a report that the top 3 inches of the aero/fire seals of the blocker doors on the thrust reverser torque boxes are not fireproof. This AD requires a one-time inspection to determine the part numbers of the aero/fire seals of the blocker doors on the thrust reverser torque boxes on the engines, and replacing affected aero/fire seals with new, improved aero/fire seals. We are issuing this AD to prevent a fire in the fan compartment (a fire zone) from migrating through the seal to a flammable fluid in the thrust reverser actuator compartment (a flammable fluid leakage zone), which could result in an uncontrolled fire.

DATES: This AD is effective March 19, 2012.

The Director of the Federal Register approved the incorporation by reference of a certain publication listed in the AD as of March 19, 2012.

ADDRESSES: For service information identified in this AD, contact Boeing Commercial Airplanes, Attention: Data & Services Management, P.O. Box 3707, MC 2H-65, Seattle, Washington 98124-
