SUMMARY: The Committee for the Implementation of Textile Agreements ("CITA") has determined that certain faux suede bonded to faux fur pile fabric, as specified below, is not available in commercial quantities in a timely manner in the CAFTA–DR countries. The product will be added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities.

FOR FURTHER INFORMATION CONTACT: Maria Dybczak, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482–3651.

For Further Information On-Line: *http://web.ita.doc.gov/tacgi/CaftaReqTrack.nsf* under "Approved Requests," Reference number: 165.2012.01.09.Fabric.Alston&BirdforS.Rothschild&Co,Inc.

SUPPLEMENTARY INFORMATION:

Authority: The CAFTA–DR Agreement; Section 203(o)(4) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act ("CAFTA–DR Implementation Act"), Public Law 109–53; the Statement of Administrative Action, accompanying the CAFTA–DR Implementation Act; and Presidential Proclamations 7987 (February 28, 2006) and 7996 (March 31, 2006).

Background: The CAFTA–DR Agreement provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA–DR Agreement have determined are not available in commercial quantities in a timely manner in the territory of any Party. The CAFTA–DR Agreement provides that this list may be modified pursuant to Article 3.25(4)–(5), when the President of the United States determines that a fabric, yarn, or fiber is not available in commercial quantities in a timely manner in the territory of any Party. *See* Annex 3.25 of the CAFTA–DR Agreement; *see also* section 203(o)(4)(C) of the CAFTA–DR Implementation Act.

The CAFTA–DR Implementation Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of CAFTA–DR Implementation Act for modifying the Annex 3.25 list. Pursuant to this authority, on September 15, 2008, CITA published modified procedures it would follow in considering requests to modify the

Annex 3.25 list of products determined to be not commercially available in the territory of any Party to CAFTA–DR (*Modifications to Procedures for Considering Requests Under the Commercial Availability Provision of the Dominican Republic-Central America-United States Free Trade Agreement*, 73 FR 53200) ("CITA's procedures").

On January 9, 2012, the Chairman of CITA received a request for a Commercial Availability determination ("Request") from Alston & Bird on behalf of S. Rothschild & Co., Inc. for certain faux suede bonded to faux fur pile fabric, as specified below. On January 11, 2012, in accordance with CITA's procedures, CITA notified interested parties of the Request, which was posted on the dedicated Web site for CAFTA–DR Commercial Availability proceedings. In its notification, CITA advised that any Response with an Offer to Supply ("Response") must be submitted by January 24, 2012, and any Rebuttal Comments to a Response ("Rebuttal") must be submitted by January 30, 2012, in accordance with sections 6 and 7 of CITA's procedures. No interested entity submitted a Response to the Request advising CITA of its objection to the Request and its ability to supply the subject product.

In accordance with section 203(o)(4)(C) of the CAFTA–DR Implementation Act, and section 8(c)(2) of CITA's procedures, as no interested entity submitted a Response objecting to the Request and demonstrating its ability to supply the subject product, CITA has determined to add the specified fabric to the list in Annex 3.25 of the CAFTA–DR Agreement.

The subject product has been added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities. A revised list has been posted on the dedicated Web site for CAFTA–DR Commercial Availability proceedings.

SUMMARY: The Commodity Futures Trading Commission (CFTC or Commission) is calling for nominations to the Subcommittee on Automated and High Frequency Trading (Subcommittee) under the auspices of the Technology Advisory Committee. The Subcommittee was established to develop recommendations regarding the definition of high frequency trading (HFT) in the context of the larger universe of automated trading. The definition of HFT is anticipated to serve as an initial step towards assessing the presence and impact of HFT in CFTC regulated markets for consideration of appropriate policy responses. The Subcommittee will report to the full Technology Advisory Committee. Regulators, markets, market participants, and the public will benefit from a common understanding of the activities and entities involved in HFT. All members of the Subcommittee will participate and consider possible criteria for inclusion in the definition of HFT within the context of automated trading systems (ATS) and suggest specific thresholds for each criterion. Nominations are sought for highly qualified representatives from industry, exchanges, academia, international regulatory and/or advisory bodies, groups representing interests or organizations involved in and/or affected by the development, design, and operation of ATS and HFT, and government agencies. Individuals seeking to be nominated to the Subcommittee should possess demonstrable expertise in a related field or represent a stakeholder of interest in the issue. Prospective nominees should be open to participating in an open public-private forum. Members of the Subcommittee will be appointed by a vote of the Commission as in accordance with the Federal Advisory Committee Act (FACA), 5 U.S.C. app. 2, and the charter of Technology Advisory Committee.
