## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5681-N-16]

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW. Room 7040 Washington, DC 20405, (202) 501-0084; (This is not toll-free numbers).

#### SUPPLEMENTARY INFORMATION:

#### Background

The Act (16 U.S.C. 1531 *et seq.*)  
prohibits activities with endangered and  
threatened species unless a Federal  
permit allows such activity. Along with  
our implementing regulations in the  
Code of Federal Regulations (CFR) at 50  
CFR part 17, the Act provides for  
permits, and requires that we invite  
public comment before issuing these  
permits.

A permit granted by us under section  
10(a)(1)(A) of the Act authorizes  
activities with United States endangered  
or threatened species for scientific  
purposes, enhancement of propagation  
or survival, or interstate commerce (the  
latter only in the event that it facilitates  
scientific purposes or enhancement of  
propagation or survival). Our  
regulations implementing section  
10(a)(1)(A) for these permits are found  
at 50 CFR 17.22 for endangered wildlife  
species, 50 CFR 17.32 for threatened  
wildlife species, 50 CFR 17.62 for  
endangered plant species, and 50 CFR  
17.72 for threatened plant species.

#### Application Available for Review and Comment

We invite local, State, and Federal  
agencies, and the public to comment on  
the following application. Documents  
and other information the applicant has  
submitted are available for review,  
subject to the requirements of the  
Privacy Act (5 U.S.C. 552a) and  
Freedom of Information Act (5 U.S.C.  
552).

#### Permit Application Number: TE-067734

*Applicant:* National Park Service,  
Badlands National Park, 25216 Ben  
Reifel Road, Interior, SD 57750.

Applicant requests the renewal of an  
existing permit to take black-footed  
ferret (*Mustela nigripes*) in conjunction  
with recovery activities throughout the  
species' range for the purpose of  
enhancing its survival and recovery.

#### National Environmental Policy Act

In compliance with the National  
Environmental Policy Act (42 U.S.C.  
4321 *et seq.*), we have made an initial  
determination that the proposed  
activities in this permit are categorically  
excluded from the requirement to  
prepare an environmental assessment or  
environmental impact statement (516  
DM 6 Appendix 1, 1.4C(1)).
