The Assistant Secretary for Policy, Management and Budget has approved the BLM's petition/application. Therefore, the petition constitutes a withdrawal proposal of the Secretary of the Interior (43 CFR 2310.1-3(e)).

The use of a right-of-way, interagency agreement, or cooperative agreement would not adequately constrain non-discretionary uses and would not provide adequate protection of the Federal investment in the improvements located on the lands.

There are no suitable alternative sites with equal or greater benefit to the government.

No additional water rights will be needed to fulfill the purpose of the proposed withdrawal.

Records relating to the application may be examined by contacting Paul J. Rodriguez, BLM Coos Bay District Office. Comments, including names and street addresses of respondents, will be available for public review at the BLM Coos Bay District Office, 1300 Airport Lane, North Bend, OR 97459–2000, during regular business hours, Monday through Friday, except Federal holidays.

For a period until August 5, 2013, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the BLM State Director at the address indicated above. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that the BLM may hold a public meeting in connection with the proposed withdrawal. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the BLM State Director at the address indicated above no later than August 5, 2013. If the BLM authorized officer determines that the BLM will hold a public meeting, the BLM will publish a notice of the time and place in the **Federal Register** and at least one local newspaper at least 30 days before the scheduled date of the meeting.

For a period until May 6, 2015, the lands described in this notice will be segregated from location and entry under the United States mining laws, but not from leasing under the mineral or geothermal leasing laws, unless the application is denied or canceled or the withdrawal is approved prior to that date.

Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature that will not significantly impact the values to be protected by the withdrawal may be allowed with the approval of the authorized officer of the BLM during the temporary segregative period.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

Authority: 43 CFR 2310.3–1.

Fred O’Ferrall,

Chief, Branch of Land, Mineral, and Energy Resources.
