

verified at a pre-determined time each quarter.

In order to make the appropriate selection, the EPA needs to know what specialty gas producers are being used by the monitoring organizations. Therefore, the EPA needs to survey each primary quality assurance organization every year to collect information on specialty gas producers being used and whether the monitoring organization would like to participate in the verification for the upcoming calendar year.

**Burden Statement:** The annual public reporting and recordkeeping burden for this collection of information is estimated to average 20 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

The annual public reporting and recordkeeping burden for this collection of information is estimated to average 20 minutes per response with a cost of \$22.15 per year. The total number of respondents is assumed to be 211.

The ICR provides a detailed explanation of the agency's estimate, which is only briefly summarized here:

*Estimated total number of potential respondents:* 211.

*Frequency of response:* Annual.

*Estimated total average number of responses for each respondent:* 1.

*Estimated total annual burden hours:* 70.3.

*Estimated total annual costs:* \$4674.00.

#### What is the next step in the process for this ICR?

The EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. At that time, the EPA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to

OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

## GENERAL SERVICES ADMINISTRATION

**[OMB Control No. 3090-0278; Docket 2012-0001; Sequence 19]**

### National Contact Center; Submission for OMB Review; National Contact Center Customer Evaluation Survey

**AGENCY:** Contact Center Services, Federal Citizen Information Center, Office of Citizen Services and Innovative Technologies, General Services Administration.

**ACTION:** Notice of request for comments regarding an extension to an existing OMB clearance.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act, the General Services Administration will be submitting to the Office of Management and Budget (OMB) a request to review and approve an extension of a previously approved information collection requirement regarding the National Contact Center customer evaluation surveys. In this request, the previously approved surveys have been supplemented with surveys that will temporarily replace those existing surveys for one period of several months. These temporary surveys will allow the National Contact Center to compare its customer service levels to those of private industry contact centers. A notice was published in the **Federal Register** at 78 FR 14549, on March 6, 2013. No comments were received.

**DATES:** Submit comments on or before: June 21, 2013.
