

prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. FINRA further believes that the proposed rule change is consistent with Sections 15A(b)(2) and (b)(7) of the Act,<sup>9</sup> which require that FINRA enforce and provide appropriate discipline for violation of FINRA rules and applicable federal securities laws, rules and regulations. FINRA believes that adopting the proposed rule change will strengthen FINRA's ability to carry out its oversight and enforcement responsibilities in cases where full disciplinary proceedings are unwarranted in view of the minor nature of the particular violation.

In addition, FINRA's MRVP, as amended by this proposal, provides a fair procedure for disciplining members and persons associated with members, consistent with Sections 15A(b)(8) and 15A(h)(1) of the Act.<sup>10</sup> The MRVP does not preclude a member or associated person from contesting an alleged violation and receiving a hearing on the matter with the same procedural rights through a litigated disciplinary proceeding.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will allow for a quicker, more efficient means to resolve minor violations of the eligible rules, potentially lessening the burden on firms in those circumstances where, absent the rule's inclusion in the MRVP, a more resource-intensive formal proceeding might ensue.

#### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory

organization consents, the Commission will:

- (A) by order approve or disapprove such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
