

is due, without regard to extensions of time to file the return. Treas. Reg. §§ 53.6011–1 and 53.6071–1 require persons subject to certain excise taxes under Chapters 41 and 42 of the Code to file a Form 4720, “Return of Certain Excise Taxes under Chapters 41 and 42 of the Internal Revenue Code,” to accompany payment of those excise taxes and provide the time for filing the return. Section 4959 was added to Chapter 42 of the Code.

On April 5, 2013, the Treasury Department and the IRS published a notice of proposed rulemaking in the **Federal Register** (REG–130266–11; 78 FR 20523) containing proposed regulations providing guidance to hospital organizations on the CHNA requirements of section 501(r)(3) and the related excise tax of section 4959. That notice of proposed rulemaking did not include amendments to the regulations under section 6011 and section 6071 regarding the return to accompany the payment of the excise tax under section 4959 and the time for filing such a return.

Explanation of Provisions

Under § 53.6011–1(c) of these temporary regulations, a charitable hospital organization that is liable for the section 4959 excise tax must file a return on Form 4720. Under § 53.6071–1(h) of these temporary regulations, a hospital organization liable for the section 4959 excise tax must file a Form 4720 by the 15th day of the fifth month after the end of the organization’s taxable year during which the liability under section 4959 was incurred. Thus, for example, a hospital organization reporting on a calendar year basis that failed to meet the requirements of section 501(r)(3) by December 31, 2013, would have to file a Form 4720 and pay the section 4959 tax due by May 15, 2014.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13563. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations. For the applicability of the Regulatory Flexibility Act (5 U.S.C. chapter 6), refer to the Special Analyses section of the preamble to the cross-reference notice of proposed rulemaking published in the Proposed Rules section in this issue of the **Federal Register**. Pursuant to section 7805(f) of the Code,

these regulations were submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business, and no comments were received.

Drafting Information

The principal author of these regulations is Amy F. Giuliano, Office of Associate Chief Counsel (Tax Exempt and Government Entities). However, other personnel from the IRS and Treasury Department participated in their development.

BILLING CODE 4830–01–P

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Part 4022

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe interest assumptions under the regulation for valuation dates in September 2013. The interest assumptions are used for paying benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective September 1, 2013.

FOR FURTHER INFORMATION CONTACT:

Catherine B. Klion
(*Klion.Catherine@pbgc.gov*), Assistant General Counsel for Regulatory Affairs, Pension Benefit Guaranty Corporation, 1200 K Street NW., Washington, DC 20005, 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: PBGC's regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR Part 4022) prescribes actuarial assumptions—including interest assumptions—for paying plan benefits under terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions in the regulation are also published on PBGC's Web site (*http://www.pbgc.gov*).

PBGC uses the interest assumptions in Appendix B to Part 4022 to determine whether a benefit is payable as a lump sum and to determine the amount to

pay. Appendix C to Part 4022 contains interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology. Currently, the rates in Appendices B and C of the benefit payment regulation are the same.

The interest assumptions are intended to reflect current conditions in the financial and annuity markets. Assumptions under the benefit payments regulation are updated monthly. This final rule updates the benefit payments interest assumptions for September 2013.¹

The September 2013 interest assumptions under the benefit payments regulation will be 1.50 percent for the period during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. In comparison with the interest assumptions in effect for August 2013, these interest assumptions represent a decrease of 0.25 percent in the immediate annuity rate and are otherwise unchanged.

PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This finding is based on the need to determine and issue new interest assumptions promptly so that the assumptions can reflect current market conditions as accurately as possible.

Because of the need to provide immediate guidance for the payment of

benefits under plans with valuation dates during September 2013, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule; correction.

SUMMARY: EPA is correcting the preamble to the final rule that appeared in the **Federal Register** on July 30, 2013. This final rule partially approved and partially disapproved a portion of Arizona's State Implementation Plan (SIP) to implement the regional haze program for the first planning period through 2018. The final rule preamble inadvertently misstated the effective date of the rule under the Congressional Review Act and the deadline for filing of petitions for judicial review of the rule under section 307(b)(1) of the Clean Air Act. This document corrects those errors and clarifies that the rule was signed by the Acting Regional Administrator for EPA Region 9.

DATES: This rule is effective on August 29, 2013.
