

DEPARTMENT OF COMMERCE**International Trade Administration****[A-405-803]****Purified Carboxymethylcellulose From Finland; Preliminary Results of Antidumping Duty Administrative Review; 2011-2012**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from Aqualon Company, a division of Hercules Inc., (Petitioner) and respondents CP Kelco Oy and CP Kelco U.S., Inc. (collectively, CP Kelco), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on purified carboxymethylcellulose (CMC) from Finland. The period of review (POR) is July 1, 2011, through June 30, 2012.

We preliminarily find that CP Kelco made sales at prices below normal value (NV) during the POR. If these preliminary results are adopted in our final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties based on differences between the export price (EP) or constructed export price (CEP) and NV. We invite interested parties to comment on these preliminary results.

DATES: *Effective Date:* August 16, 2013.

SUPPLEMENTARY INFORMATION:**Scope of the Order**

The merchandise covered by the order is all purified carboxymethylcellulose (CMC), sometimes also referred to as purified sodium CMC, polyanionic cellulose, or cellulose gum, which is a white to off-white, non-toxic, odorless, biodegradable powder, comprising sodium CMC that has been refined and purified to a minimum assay of 90 percent. The merchandise subject to the order is classified in the Harmonized Tariff Schedule of the United States at subheading 3912.31.00. For a full description of the scope of the order, see the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant

Secretary for Import Administration, "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Purified Carboxymethylcellulose from Finland" (Preliminary Decision Memorandum), which is dated concurrently with, and is hereby incorporated by reference.¹

Methodology

The Department has conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). EP is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. In accordance with section 773(b) of the Act, we disregarded certain of CP Kelco's sales in the home market that were made at below-cost prices. For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://www.trade.gov/ia/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following dumping margin for the period July 1, 2011, through June 30, 2012.

Exporter/manufacture	Margin (percent)
CP Kelco Oy	3.40

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, filed electronically via IA ACCESS. Assessment Rates

Upon completion of the administrative review, the Department shall determine and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If CP Kelco's weighted-average dumping margin is not zero or *de minimis* in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). If CP Kelco's weighted-average dumping margin is zero or *de minimis* in the final

results of review, or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to dumping margins.

The Department clarified its “automatic assessment” regulation on May 6, 2003.⁷ This clarification will apply to entries of subject merchandise during the POR produced by CP Kelco for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of CMC from Finland entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for CP Kelco Oy will be the rate established in the final results of this administrative review except if the rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period in which the manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 6.65 percent, the all-others rate established in the less-than-fair-value investigation.⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁷ For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁸ See *Notice of Antidumping Duty Orders: Purified Carboxymethylcellulose from Finland, Mexico, the Netherlands and Sweden*, 70 FR 39734 (July 11, 2005).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 1, 2013.

Paul Piquado,

Assistant Secretary for Import Administration.
