

*Response:* No change to Form. Section § \_\_\_\_ .320 of the Circular A-133 states the submission of the data collection form and audit package are required to comply with the provisions of the Circular. The submission of these documents is the official record of the single audit for the Federal government.

*Comment:* General—In order to comply with guidance provided in Section 703 of the OMB Proposed Uniform Guidance, CIGIE/and the NSACs request that OMB consider adding an option for “Audit under Threshold”.

*Response:* No change to Form. OMB will consider alternate submission options for audits with expenditures of Federal awards below the minimum threshold in the future when the proposed uniform guidance is finalized and effective.

*Comment:* General—Commenters requested a question be added: “Was a Management Letter Issued?” Under new GAS and AICPA standards, auditors are no longer required to include a statement regarding management letters in the report. Agency officials will not be notified when a management letter has been issued.

*Response:* No Change to Form. OMB will consider adding this information on a future iteration of the Form.

*Comment:* General—Some commenters asked for a new requirement for the text of each finding and auditee response be added to the data collection form.

*Response:* No Change to Form. OMB will consider adding this information on a future iteration of the Form.

*Comment:* General—Some commenters questioned why the estimated hours to complete the SF-SAC have not changed since 2008, particularly considering the changes to expand the amount of data collected on the Form.

*Response:* No Change to Form. Although the Form has been revised to add a few additional information inputs, it has also been revised to streamline the reporting of data inputs including the upload of the Form electronically. We believe that on the average hours to complete the form remain leveled.

*Comment:* General—Commenters requested training materials such as how-to videos, articles, and other means to help auditors and auditees prepare and avoid last minute submission problems with the new Form.

*Response:* No change to Form. The FAC will make additional efforts to disseminate information on upcoming changes before the official roll-out of the Form.

*Comment:* General—Some commenters suggested that for audits that are currently completed, respondents be permitted to submit the 2013 audits on the 2010–2012 Form SF-SAC. They note that many audits are already done for 2013, and changing requirements will increase administrative cost and respondent burden.

*Response:* No change to Form. For consistency of reporting, all 2013 audits should be reported using the 2013 form. We expect the 2013 Form to be available in October. OMB will extend a waiver for due dates falling before the Form is approved and available.

*Comment:* General—Commenters advised that the FAC should prepare for numerous submissions in a short timeframe. When the 2013 Form is approved and released, there will be numerous submissions occurring simultaneously.

*Response:* No change to Form. The FAC is working to ensure a smooth transition to the new submission system.

*Comment:* General- Commenters recommends rigorous testing of the internet submission system to ensure that it is working properly. AICPA comments that they would be willing to assist the Clearinghouse with this endeavor.

*Response:* No change to Form. The FAC staff is continuously improving and testing the usability and functionality of the new Form and the new system.

*Comment:* General- Commenters requested that due dates for reporting packages be clarified when due dates fall on holidays or weekends. Additionally, AICPA notes that questions arise as to the time zone that is used to identify when the audit is due. AICPA recommends that FAC and OMB address these questions in the Frequently Asked Questions section or in another readily available manner.

*Response:* No change to Form. OMB agreed to allow extensions until the next business day for nine-month due dates that fall on non-business days such as weekends and holidays. FAC will make these adjustments automatically. If a submission in a different time zone was on time in the auditee’s time zone, but marked as late by the FAC system in the Eastern time zone, the FAC is allowed to make time-zone adjustments to submissions by request.
