Instructions: Direct your comments to Docket ID No. EPA-HQ-OW-2010-0606. The EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or email. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means the EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to the EPA without going through www.regulations.gov your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, the EPA recommends that you include your name and other contact information in the body of your comment and with any disc you submit. If the EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, the EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about the EPA's public docket visit the Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>.

SUPPLEMENTARY INFORMATION: On September 4, 2013, EPA published the proposed rule "Water Quality Standards Regulatory Clarifications" in the **Federal Register** (78 FR 54517). In the proposed rulemaking, EPA is proposing changes to the federal water quality standards (WQS) regulation at 40 CFR Part 131 which helps implement the Clean Water Act in order to improve effectiveness in restoring and maintaining the chemical, physical, and biological integrity of the nation's waters. The proposed rule addresses the following key program areas: Administrator's determinations that new or revised WQS are necessary, designated uses, triennial reviews, antidegradation, variances to WQS, and compliance schedule authorizing provisions. Once final, the proposed rule will lead to improved water quality standard development, implementation and compliance as well as improving the ability of water systems to adapt and respond to the impacts of climate change.

The original comment deadline was December 3, 2013. This action extends the comment period for 30 days. Written comments must now be received by the January 2, 2014.

Dated: November 22, 2013.

Nancy K. Stoner,

Acting Assistant Administrator, Office of Water.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. The following list of North American Industrial Classification System (NAICS) codes is not intended to be exhaustive, but rather provides a guide to help readers determine whether this document applies to them. Potentially affected entities may include:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).

B. What should I consider as I prepare my comments for EPA?

1. **Submitting CBI.** Do not submit this information to EPA through [regulations.gov](http://www.regulations.gov) or email. Clearly mark the part or all of the information that

you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments. When submitting comments, remember to:*

- i. Identify the document by docket ID number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions. The Agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.
- iv. Describe any assumptions and provide any technical information and/or data that you used.
- v. If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
- vi. Provide specific examples to illustrate your concerns and suggest alternatives.
- vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.
- viii. Make sure to submit your comments by the comment period deadline identified.

3. *Environmental justice.* EPA seeks to achieve environmental justice, the fair treatment and meaningful involvement of any group, including minority and/or low-income populations, in the development, implementation, and enforcement of environmental laws, regulations, and policies. To help address potential environmental justice issues, the Agency seeks information on any groups or segments of the population who, as a result of their location, cultural practices, or other factors, may have atypical or disproportionately high and adverse human health impacts or environmental effects from exposure to the pesticides discussed in this document, compared to the general population.

II. What action is the agency taking?

EPA is announcing receipt of a *revised* pesticide petition filed under section 408 of the Federal Food, Drug, and Cosmetic Act (FFDCA), (21 U.S.C. 346a), requesting the establishment or modification of regulations in 40 CFR part 180 for residues of pesticide chemicals in or on various food commodities. The Agency is taking public comment on the request before responding to the petitioner. EPA is not proposing any particular action at this time. EPA has determined that the pesticide petition described in this document contains data or information prescribed in FFDCA section 408(d)(2); however, EPA has not fully evaluated the sufficiency of the submitted data at this time or whether the data supports granting of the pesticide petition. After considering the public comments, EPA intends to evaluate whether and what action may be warranted. Additional data may be needed before EPA can make a final determination on this pesticide petition.

Pursuant to 40 CFR 180.7(f), a summary of the petition that is the subject of this document, prepared by the petitioner, is included in a docket EPA has created for this rulemaking. The docket for this petition is available online at <http://www.regulations.gov>.

As specified in FFDCA section 408(d)(3), (21 U.S.C. 346a(d)(3)), EPA is publishing notice of the petition so that the public has an opportunity to comment on this request for the establishment or modification of regulations for residues of pesticides in or on food commodities.

PP 2F8053 (Revised) (EPA-HQ-OPP-2012-0638). BASF Corporation, 26 Davis Drive, P.O. Box 13528, Research Triangle Park, NC 27709-3528 submitted revisions to their initial pesticide petition 2F8053 to establish tolerances in 40 CFR part 180 for residues of the fungicide fluxapyroxad, (BAS 700 F); 1*H*-Pyrazole-4-carboxamide,3-(difluoromethyl)-1-methyl-*N*-(3',4',5'-trifluoro 1,1'-biphenyl-2-yl)-, its metabolites, and degradates, in or on various commodities. Based on EPA's evaluation of the data supporting the original petition, BASF Corporation revised the petition by proposing tolerances for fish-freshwater finfish; fish-shellfish, crustacean; and hog, meat byproducts at 0.01 parts per million (ppm); and by decreasing, increasing, or deleting previously proposed tolerances for various commodities.

Further information on the revised petition may be obtained through the

petition summary referenced in this unit.

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Parts 73 and 76

[MB Docket No. 11-93; FCC 13-141]

Implementation of the Commercial Advertisement Loudness Mitigation (CALM) Act

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: In this document, the Commission proposes minor rule changes to incorporate by reference into the Commission's rules and make mandatory the Advanced Television Systems Committee's (ATSC) March 12, 2013 A/85:2013 Recommended Practice (Successor RP), replacing the July 25, 2011 A/85:2011 RP (Current RP), incorporated into the Commission's rules in 2011. The Commercial Advertisement Loudness Mitigation (CALM) Act directs the Commission to incorporate by reference and make mandatory "any successor" to the ATSC's A/85 Recommended Practice (RP). This document also seeks comment on the appropriate timing for the 2013 Successor RP to replace the 2011 Current RP, and proposes an effective date of one year from the release date of the Report and Order resulting from this proceeding. The 2013 Successor RP applies an improved loudness measurement algorithm to conform to the International Telecommunication Union's (ITU) updated BS.1770 measurement algorithm, "BS.1770-3."

DATES: Comments are due on or before December 27, 2013; reply comments are due on or before January 13, 2014.
