Title of Collection: Student Assistance General Provisions.

OMB Control Number: 1845-0022.

Type of Review: Revision of an existing collection of information.

Respondents/Affected Public: State, Local, or Tribal Governments, Private Sector, Individuals or households.

Total Estimated Number of Annual Responses: 1,321,918.

Total Estimated Number of Annual Burden Hours: 2,138,320.

Abstract: The Department of Education is requesting a revision of the current burden hours in 1845-0022. Sections of the regulations in 34 CFR part 668-Student Assistance General Provisions establish the standards to participate in the student financial aid assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended. Other sections of the regulations also establish required information that must be provided to students, the financial responsibility requirements of the institution, and the cohort default rates that apply to institutions. These regulations help to assure the Secretary that the integrity of the programs is protected from fraud

and misuse of program funds. ED is administratively transferring a small amount of burden from sections 34 CFR 668.23 and 668.24 that previously were included in OMB Collection Number 1845-0038 to correct an error that was made in the transfer of this information collection from the Office of Postsecondary Education (1840) to Federal Student Aid (1845). There have been no changes to the statutory or regulatory language since the prior information collection filing.

Dated: December 23, 2013.
