

FERC-60 (ANNUAL REPORT OF CENTRALIZED SERVICE COMPANIES), FERC-61 (NARRATIVE DESCRIPTION OF SERVICE COMPANY FUNCTIONS), & FERC-555A (PRESERVATION OF RECORDS COMPANIES AND SERVICE COMPANIES SUBJECT TO PUHCA)

	Number of respondents	Number of responses per respondent	Total number of responses	Average burden hours per response	Estimated total annual burden
	(A)	(B)	(A)×(B)=(C)	(D)	(C)×(D)
FERC-60	34	1	34	75	2,550
FERC-61	82	1	82	0.5	41
FERC-555A	100	1	100	1,080	108,000
Total	110,591

The total estimated annual cost burden to respondents is \$4,735,093.16 [\$306,000 (FERC Form 60) + \$2,829.41 (FERC-61) + \$4,426,263.75 (FERC-555A) = \$4,735,093.16]

FERC Form 60: 2,550 hours * \$120/hour = \$306,000

FERC-61: 41 hours * \$69.01/hour = \$2,829.41

FERC-555A⁵:

- Labor costs for paper storage: 108,000 hours * \$19/hours⁶ = \$2,052,000

- Record Retention/storage cost for paper storage (using an estimate of 6,000 ft³): \$38,763.75

- Electronic record retention/storage cost: \$2,335,500 [108,000 hours ÷ 2 = 54,000 * \$28/hour⁷ = \$1,512,000; electronic record storage cost: 54,000 hours * \$15.25/year⁸ = \$823,500; total electronic record storage: \$2,335,500]

Comments: Comments are invited on:

- (1) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility;
- (2) the accuracy of the agency's estimate of the burden and cost of the collection of information, including the validity of the methodology and assumptions used;
- (3) ways to enhance the quality, utility and clarity of the information collection;
- and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

⁵ Internal analysis assumes 50% electronic and 50% paper storage

⁶ 2012 average hourly wage of filing clerk working within an electric utility

⁷ The Commission bases the \$28/hour figure on a FERC staff study that included estimating public utility recordkeeping costs.

⁸ Per entity; the Commission bases this figure on the estimated cost to service and to store 1 GB of data (based on the aggregated cost of an IBM advanced data protection server).

Dated: February 5, 2013.

Kimberly D. Bose,

Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP13-59-000]

Dominion Transmission, Inc.; Notice of Application

Take notice that on January 25, 2013, Dominion Transmission, Inc. (Dominion), 120 Tredegar Street, Richmond, VA 23219, filed an application in Docket No. CP13-59-000 pursuant to section 7(b) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations, requesting authorization to abandon by sale Line No. TL-404 to Dominion Natrium Holdings, Inc. and ultimately, Blue Racer Midstream, LLC, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Any questions concerning this application may be directed to Machel F. Grim, Director, Gas Regulation, Dominion Resources Services, Inc., 701 E. Cary Street, Richmond, VA 23219, by telephone at (804) 771-3805, by facsimile at (804) 771-4804, or by email at Machelle.F.Grim@dom.com or Margaret H. Peters, Assistant General Counsel, Dominion Resources Services, Inc., 701 E. Cary Street, Richmond, VA 23219, by telephone at (804) 771-3992, by facsimile at (804) 771-3940, or by email at Margaret.H.Peters@dom.com.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888

First Street NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit an original and 7 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 7 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426. This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an

“eSubscription” link on the web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Comment Date: 5:00 p.m. Eastern Time on February 25, 2013.

Dated: February 4, 2013.

Kimberly D. Bose,
Secretary.
