SUPPLEMENTARY INFORMATION:**I. Abstract and Request for Comments**

NCUA is renewing the currently approved collection for 3133-0185. The collection includes the NCUA Vendor Registration Form (NCUA 1772) and

instructions for completing the form. Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (The “Dodd-Frank Act”) calls for NCUA (the “Agency”) to promote the inclusion of minority-owned and women-owned firms in the Agency’s business activities. The Dodd-Frank Act also requires NCUA to annually report to Congress the total amounts paid to minority- and women-owned businesses. In order to comply with this Congressional mandate, NCUA needs to collect certain information from its current and potential vendors, so that it can identify businesses that meet the criteria that must be reported to Congress. Without the use of the vendor registration form, NCUA would not be able to capture the type of information that Congress is requiring under the Dodd-Frank Act. The section within the Dodd-Frank Act that makes it necessary to collect this information is as follows: Section 342(e)(2) Reports—Each office shall submit to Congress an annual report regarding the actions taken by the agency and the Office pursuant to this section, which shall include—the percentage of the amounts described in paragraph (1) that were paid to contractors described in subsection (c) (1) [minority-owned and women-owned businesses]. The vendor information is to be submitted to the agency on a one-time basis through a one-page vendor form. The one-page form is brief and asks for simple, readily available information. Additionally, NCUA plans to make this registration available electronically in a format that allows vendors to complete and submit online, without requiring any printing, manual entries, or faxing. The information provided will be used to assign an ownership status to the vendor (i.e., minority-owned business, woman-owned business) per the requirements of the Act. Once an ownership status is assigned to each vendor, NCUA will be able to calculate the total amounts of contracting dollars paid to minority-owned and women-owned businesses. There is no change in burden hours or cost from NCUA’s last submission.

The NCUA requests that you send your comments on this collection to the

location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA’s policy to make all comments available to the public for review. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.
