Each exigent health and safety (EHS) deficiency that the inspector observed that day is listed on the form. The property representative signs the form acknowledging receipt. PHAs are to correct/remedy/act abate all EHS deficiencies within 24 hours. Using the electronic format, PHAs are to notify HUD within three business days of the date of inspection, which is the date the PHA was provided notice of these deficiencies, that the deficiencies were corrected/remedied/acted on to abate within the prescribed time frames (24 CFR part 902).
