II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than May 16, 2014. Individuals can obtain copies of the OMB clearance packages by

writing to *OR.Reports.Clearance@ssa.gov*.

1. *Statement of Death by Funeral Director—20 CFR 404.715 and 404.720—0960-0142*. When an SSA-insured worker dies, the funeral director or funeral home responsible for the worker's burial or cremation completes Form SSA-721 and sends it to SSA. SSA uses this information for three purposes: (1) To establish proof of death for the insured worker; (2) to determine

if the insured individual was receiving any pre-death benefits SSA needs to terminate; and (3) to ascertain which surviving family member is eligible for the lump-sum death payment or for other death benefits. The respondents are funeral directors who handled death arrangements for the insured individuals.

Type of Request: Revision of an OMB-approved information collection.

SSA-721	319,811	1	4	21,321

2. *Medicare Income-Related Monthly Adjustment Amount—Life-Changing Event Form—0960-0784*. Federally mandated reductions in the Federal Medicare Part B and prescription drug coverage subsidies result in selected Medicare recipients paying higher premiums with income above a specific threshold. The amount of the premium subsidy reduction is an income-related monthly adjustment amount (IRMAA).

The Internal Revenue Service (IRS) transmits income tax return data to SSA for SSA to determine the IRMAA. SSA uses the Form SSA-44 to determine if a recipient qualifies for a reduction in the IRMAA. If affected Medicare recipients believe SSA should use more recent tax data because of a life-changing event that significantly reduces their income, they can report these changes to SSA and ask for a new

initial determination of their IRMAA. The respondents are Medicare Part B and prescription drug coverage recipients and enrollees with modified adjusted gross income over a high-income threshold who experience one of the eight significant life-changing events.

Type of Request: Revision of an OMB-approved information collection.
