NPRM Notice of Proposed Rulemaking

#### A. Regulatory History and Information

On March 21, 2014, we published a notice of proposed rulemaking (NPRM) entitled Special Local Regulation; Low Country Splash, Wando River, Cooper River, and Charleston Harbor, Charleston, SC in the **Federal Register** (76 FR 246). We received no comments on the proposed rule. No public meeting was requested, and none was held.

#### B. Basis and Purpose

The legal basis for the rule is the Coast Guard’s authority to establish special local regulations: 33 U.S.C. 1233. The purpose of the rule is to insure safety of life on navigable waters of the United States during the Low Country Splash.

#### C. Discussion of Comments, Changes and the Final Rule

On Saturday, May 24, 2014, the Low Country Splash is scheduled to take place on the waters of the Wando River, Cooper River, and Charleston Harbor. The race will commence at Daniel Island Pier, transit south in the Wando River, crossing the navigational channel at Hobcaw Point and continuing South into Charleston Harbor. The race will finish at Charleston Harbor Resort Marina. The event consists of a large number of swimmers. There will be safety vessels preceding the participating swimmers, and following the last participating swimmers. This event poses significant risks to participants, spectators, and the boating public because of the large number of swimmers and recreational vessels that are expected in the area of the event. The special local regulation is necessary to ensure the safety of participants, spectators, and vessels from the hazards associated with the event.

The special local regulation will designate a temporary regulated area on the Wando River, Cooper River, and Charleston Harbor in Charleston, South Carolina. The special local regulation will be enforced from 7:00 a.m. until 9:00 a.m. on May 24, 2014. Persons and vessels may not enter, transit through, anchor in, or remain within the safety zone unless authorized by the Captain of the Port Charleston or a designated representative.

Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the Captain of the Port Charleston by telephone at (843) 740-7050, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through,
