**Disclosure**

The Department intends to disclose calculations performed for this final determination to the parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

**Continuation of Suspension of Liquidation**

In accordance with section 735(c)(1)(B) of the Act, the Department will instruct U.S. Customs and Border Protection (“CBP”) to continue to suspend liquidation of all appropriate entries of WSPP from Vietnam as described in the “Scope of the Investigation” section, which were entered, or withdrawn from warehouse, for consumption on or after January 7, 2014, the date of publication of the *Preliminary Determination* in the **Federal Register**. CBP shall require a cash deposit equal to the estimated amount by which the normal value exceeds the U.S. price as shown above. These instructions suspending liquidation will remain in effect until further notice.

**International Trade Commission (“ITC”) Notification**

In accordance with section 735(d) of the Act, we will notify the ITC of our final affirmative determination of sales at LTFV. Because the final determination in this proceeding is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of WSPP from Vietnam no later than 45

days after our final determination. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess antidumping duties on all imports of the merchandise under investigation entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

**Notification Regarding Administrative Protective Orders (“APO”)**

This notice also serves as a final reminder to the parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination and notice are issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

Dated: May 22, 2014.
