

- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Grantees from the Grants to Support Tribal Domestic Violence and Sexual Assault Coalitions Program (Tribal Coalitions Program).

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122–0011. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the 14 grantees from the Tribal Coalitions Program. The Tribal Coalitions Program grantees include Indian tribal governments that will support the development and operation of new or existing nonprofit tribal domestic violence and sexual assault coalitions in Indian country. These grants provide funds to develop and operate nonprofit tribal domestic violence and sexual assault coalitions in Indian country to address the unique issues that confront Indian victims. The Tribal Coalitions Program provides resources for organizing and supporting efforts to end violence against Indian women.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the 14 respondents (grantees from the Tribal Coalitions Program) approximately one hour to complete a Semi-Annual Progress Report. The Semi-Annual Progress Report is divided into sections that pertain to the different types of activities that grantees may engage in with grant funds. Grantees must complete only those sections that are relevant to their activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is

28 hours, that is 14 grantees completing a form twice a year with an estimated completion time for the form being one hour.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On Monday, June 23, 2014, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Utah (Central Division) in the lawsuit entitled *United States v. Ivory Homes, Ltd.*, Civil Action No. 2:14–cv–00460–BCW. To settle the claims against it under the Clean Water Act (“CWA”), Ivory Homes, Ltd. (“Ivory Homes”) will pay a civil penalty of \$250,000, and perform injunctive relief in the form of implementing a management and reporting system designed to provide increased oversight of on-the-ground operations and ensure greater compliance with the CWA. In return, the United States will grant Ivory Homes a covenant not to sue or take administrative action pursuant to the CWA for the civil violations alleged in the Complaint, filed simultaneously with the Consent Decree.

The case was brought under Section 402 of the CWA, 33 U.S.C. 1342, against Ivory Homes for violations of applicable permits governing discharge of storm water from five construction sites in Utah. The Complaint alleges that, at each of these five sites, Ivory Homes failed to comply with the terms and conditions of a general permit issued under Section 402 of the CWA, 33 U.S.C. 1342, which establishes conditions for discharge of storm water associated with construction activities, including clearing, grading and excavating, into waters of the State of Utah.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney

General, Environment and Natural Resources Division, and should refer to *United States v. Ivory Homes, Ltd.*, D.J. Ref. No. 90–5–1–1–09865. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

DEPARTMENT OF LABOR

Office of the Secretary

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Escape and Evacuation Plans (Pertains to Underground Metal and Nonmetal Mines)

ACTION: Notice.

SUMMARY: The Department of Labor (DOL) is submitting the Mine Safety and Health Administration (MSHA) sponsored information collection request (ICR) titled, "Escape and Evacuation Plans (Pertains to Underground Metal and Nonmetal Mines)," to the Office of Management and Budget (OMB) for review and approval for continued use, without change, in accordance with the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 et seq. Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that agency receives on or before July 30, 2014.

ADDRESSES: A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free of charge from the RegInfo.gov Web site at http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201404-1219-003

(this link will only become active on the day following publication of this notice) or by contacting Michel Smyth by telephone at 202-693-4129, TTY 202-693-8064, (these are not toll-free numbers) or by email at DOL_PRA_PUBLIC@dol.gov.

Submit comments about this request by mail or courier to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for DOL-MSHA, Office of Management and Budget, Room 10235, 725 17th Street NW., Washington, DC 20503; by Fax: 202-395-6881 (this is not a toll-free number); or by email: OIRA_submission@omb.eop.gov. Commenters are encouraged, but not required, to send a courtesy copy of any comments by mail or courier to the U.S. Department of Labor-OASAM, Office of the Chief Information Officer, Attn: Departmental Information Compliance Management Program, Room N1301, 200 Constitution Avenue NW., Washington, DC 20210; or by email: DOL_PRA_PUBLIC@dol.gov.

FOR FURTHER INFORMATION CONTACT:

Contact Michel Smyth by telephone at 202-693-4129, TTY 202-693-8064, (these are not toll-free numbers) or by email at DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Escape and Evacuation Plans (Pertains to Underground Metal and Nonmetal Mines) information collection requirements codified in regulations 30 CFR 57.11053, which requires the development of an escape and evacuation plan specifically addressing the unique conditions of each underground metal and nonmetal mine and requires that revisions be made as mining progresses. The plan must be available to representatives of the MSHA and conspicuously posted at locations convenient to all persons on the surface and underground. The mine operator and the MSHA are required jointly to review the plan at least once every six months. Federal Mine Safety and Health Act of 1977, as amended section 103(h) authorizes this information collection. See 30 U.S.C. 813(h).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject

to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1219-0046.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on July 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 27, 2014 (79 FR 11129).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1219-0046. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
