

acres of airport property is necessary for the development of the center. As part of this proposal, the Federal and State agencies that participated in the environmental study for the Runway 35 extension have reviewed this proposal. All interested agencies have concurred that there would be no adverse environmental impacts as a result of this land exchange and that the proposed release and exchange of 1.0 acres for 4.3 acres of similarly situated land would be beneficial for the Runway 35 extension mitigation site. The Airport also completed a Real Estate Appraisal Report for the parcels. The appraisal was conducted in accordance with the Uniform Standards of Professional Appraisal Practice (USPAP). The appraisal concludes that the Manchester-Boston Regional Airport will receive additional value for the land that it is acquiring in this proposed release and exchange.

### Surface Transportation Board

[Docket No. FD 35844]

#### Stillwater Central Railroad, LLC— Acquisition Exemption Containing Interchange Commitment—Oklahoma Department of Transportation

Stillwater Central Railroad, LLC (SLWC), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from the state of Oklahoma (the State), acting through the Oklahoma Department of Transportation (ODOT), and to operate approximately 97.5 miles of rail line between milepost 438.9 in Sapulpa, Okla., and milepost 536.4 in eastern Oklahoma City, Okla. (the Line).

The State, by and through ODOT, acquired the Line from The Burlington Northern and Santa Fe Railway Company (now known as the BNSF Railway Company) (BNSF), pursuant to an agreement dated February 12, 1998.<sup>1</sup>

According to SLWC, the agreement between ODOT and BNSF contains an interchange commitment that ODOT is contractually obligated to assign to any future purchaser of the Line. SLWC notes that the affected interchange point is Sapulpa. As required under 49 CFR 1150.43(h)(1), SLWC provided additional information regarding the interchange commitment. SLWC has certified that its projected annual revenues as a result of this transaction will not result in SLWC's becoming a Class II or Class I rail carrier, but that its projected annual revenues will exceed \$5 million. Accordingly, SLWC is required, at least 60 days before this exemption is to become effective, to send notice of the transaction to the national offices of the labor unions with employees on the affected lines, post a copy of the notice at the workplace of the employees on the affected lines, and certify to the Board that it has done so. 49 CFR 1150.42(e). SLWC asserts that providing the 60-day notice would serve no useful purpose because SLWC already has authority to operate the Line under lease from ODOT.

SLWC, concurrently with its notice of exemption, filed a petition for waiver of the 60-day advance labor notice requirement under 1150.42(e), asserting that, although ODOT is the owner of the Line, ODOT also is a noncarrier, therefore: (1) No ODOT employees will be affected because no ODOT employees have performed operations or maintenance on the Line; and (2) no SLWC employees will be affected because SLWC will continue to provide the same service and maintenance on the Line as it has been providing since the inception of the lease. SLWC states that the transaction will simply convert SLWC's lease of the Line to an ownership interest. SLWC's waiver request will be addressed in a separate decision.

SLWC states that it intends to consummate the transaction on or after July 31, 2014 (after the effective date of this transaction, which is July 30, 2014). The Board will establish in the decision on the waiver request the earliest date this transaction may be consummated.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of

#### Background

On September 23, 2001, the President issued Executive Order 13224 (the “Order”) pursuant to the International Emergency Economic Powers Act, 50 U.S.C. 1701–1706, and the United Nations Participation Act of 1945, 22 U.S.C. 287c. In the Order, the President declared a national emergency to address grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the September 11, 2001 terrorist attacks in New York, Pennsylvania, and at the Pentagon. The Order imposes economic sanctions on persons who have committed, pose a significant risk of committing, or support acts of terrorism. The President identified in the Annex to the Order, as amended by Executive Order 13268 of July 2, 2002, 13 individuals and 16 entities as subject to

the economic sanctions. The Order was further amended by Executive Order 13284 of January 23, 2003, to reflect the creation of the Department of Homeland Security.

Section 1 of the Order blocks, with certain exceptions, all property and interests in property that are in or hereafter come within the United States or the possession or control of United States persons, of: (1) Foreign persons listed in the Annex to the Order; (2) foreign persons determined by the Secretary of State, in consultation with the Secretary of the Treasury, the Secretary of the Department of Homeland Security and the Attorney General, to have committed, or to pose a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States; (3) persons determined by the Director of OFAC, in consultation with the Departments of State, Homeland Security and Justice, to be owned or controlled by, or to act for or on behalf of those persons listed in the Annex to the Order or those persons determined to be subject to subsection 1(b), 1(c), or 1(d)(i) of the Order; and (4) except as provided in section 5 of the Order and after such consultation, if any, with foreign authorities as the Secretary of State, in consultation with the Secretary of the Treasury, the Secretary of the Department of Homeland Security and the Attorney General, deems appropriate in the exercise of his discretion, persons determined by the Director of OFAC, in consultation with the Departments of State, Homeland Security and Justice, to assist in, sponsor, or provide financial, material, or technological support for, or financial or other services to or in support of, such acts of terrorism or those persons listed in the Annex to the Order or determined to be subject to the Order or to be otherwise associated with those persons listed in the Annex to the Order or those persons determined to be subject to subsection 1(b), 1(c), or 1(d)(i) of the Order.

On July 10, 2014 the Director of OFAC, in consultation with the Departments of State, Homeland Security, Justice and other relevant agencies, designated, pursuant to one or more of the criteria set forth in subsections 1(b), 1(c) or 1(d) of the Order, 5 individuals and 7 entities whose property and interests in property are blocked pursuant to Executive Order 13224.
