Proposed Collection; Comment Request

Extension: Form N-54A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act"), certain investment companies can elect to be regulated as business development companies, as defined in Section 2(a)(48) of the Investment Company Act (15 U.S.C. 80a-2(a)(48)). Under Section 54(a) of the Investment Company Act (15 U.S.C. 80a-53(a)), any company defined in Section 2(a)(48)(A) and (B) may elect to be subject to the provisions of Sections 55 through 65 of the Investment Company Act (15 U.S.C. 80a-54 to 80a-64) by filing with the Commission a notification of election, if such company has: (1) A class of equity securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"); or (2) filed a registration statement pursuant to Section 12 of the Exchange Act for a class of equity securities. The Commission has adopted Form N-54A (17 CFR 274.53) as the form for notification of election to be regulated as business development companies.

The purpose of Form N-54A is to notify the Commission that the investment company making the notification elects to be subject to Sections 55 through 65 of the Investment Company Act, enabling the Commission to administer those provisions of the Investment Company Act to such companies.

The Commission estimates that on average approximately 14 business development companies file these notifications each year. Each of those business development companies need only make a single filing of Form N-54A. The Commission further estimates

that this information collection imposes a burden of 0.5 hours, resulting in a total annual PRA burden of 7 hours. Based on the estimated wage rate, the total cost to the business development company industry of the hour burden for complying with Form N-54A would be approximately \$2,338.

The collection of information under Form N-54A is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Extension:

Rule 17a-19 and Form X-17A-19

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information

provided for in Rule 17a-19 (17 CFR 240.17a-19) and Form X-17A-19 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a-19 requires every national securities exchange and registered national securities association to file a Form X-17A-19 with the Commission and the Securities Investor Protection Corporation ("SIPC") within 5 business days of the initiation, suspension, or termination of any member and, when terminating the membership interest of any member, to notify that member of its obligation to file financial reports as required by Exchange Act Rule 17a-5(b).¹

Commission staff anticipates that the national securities exchanges and registered national securities associations collectively will make 800 total filings annually pursuant to Rule 17a-19 and that each filing will take approximately 15 minutes. The total reporting burden is estimated to be approximately 200 total annual hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Securities and Exchange Commission,
Office of FOIA Services, 100 F Street
NE., Washington, DC 20549-2736.

Extension: Rule 17f-2(e),

SEC File No. 270-37, OMB Control
No. 3235-0031.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rule 17f-2(e) (17 C.F.R. 240.17f-2(e)) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17f-2(e) requires every member of a national securities exchange, broker, dealer, registered transfer agent, and registered clearing agency ("covered entities") claiming an exemption from the fingerprinting requirements of Rule 17f-2 to make and keep current a statement entitled "Notice Pursuant to Rule 17f-2" ("Notice") containing the information specified in paragraph (e)(1) to support their claim of exemption.

Rule 17f-2(e) contains no filing requirement. Instead, paragraph (e)(2) requires covered entities to keep a copy of the Notice in an easily accessible place at the organization's principal office and at the office employing the persons for whom exemptions are claimed and to make the Notice available upon request for inspection by the Commission, appropriate regulatory agency (if not the Commission) or other designated examining authority. Notices prepared pursuant to Rule 17f-2(e) must be maintained for as long as the covered entity claims an exemption from the fingerprinting requirements of Rule 17f-2. The recordkeeping requirement under Rule 17f-2(e) assists the Commission and other regulatory agencies with ensuring compliance with Rule 17f-2.

We estimate that approximately 75 respondents will incur an average burden of 30 minutes per year to comply with this rule, which represents the time it takes for a staff person at a covered entity to properly document a

claimed exemption from the fingerprinting requirements of Rule 17f-2 in the required Notice and to properly retain the Notice according to the entity's record retention policies and procedures. The total annual burden for all covered entities is approximately 38 hours (75 entities × .5 hours, rounded up).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Securities and Exchange Commission,
Office of FOIA Services, 100 F Street
NE., Washington, DC 20549-2736.

Extension: Rule 17f-2(c),

SEC File No. 270-35, OMB Control No.
3235-0029.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rule 17f-2(c) (17 CFR 240.17f-2(c)) under the Securities

Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17f-2(c) allows persons required to be fingerprinted pursuant to Section 17(f)(2) of the Act to submit their fingerprints to the Attorney General of the United States or its designee (i.e., the Federal Bureau of Investigation ("FBI")) through a registered national securities exchange or a registered national securities association (collectively, also known as "self-regulatory organizations" or "SROs") pursuant to a fingerprint plan filed with, and declared effective by, the Commission. Fingerprint plans have been declared effective for the American, Boston, Chicago, New York, and Philadelphia stock exchanges and for the Financial Industry Regulatory Authority ("FINRA") and the Chicago Board Options Exchange. Currently, FINRA accounts for the bulk of the fingerprint submissions.

It is estimated that 5,000 respondents submit approximately 288,000 sets of fingerprints (consisting of 198,500 electronic sets and 89,500 hard copy sets) to SROs on an annual basis. The Commission estimates that it would take approximately 15 minutes to create and submit each fingerprint card. The total reporting burden is therefore estimated to be 72,000 hours, or approximately 15 hours per respondent, annually.

In addition, the SROs charge an estimated \$30.25 fee for processing fingerprint cards submitted electronically, resulting in a total annual cost to all 5,000 respondents of approximately \$6,004,600, or \$1,200.92 per respondent per year. The SROs charge an estimated \$44.50 fee for processing fingerprint cards submitted in hard copy, resulting in a total annual cost to all 5,000 respondents of approximately \$3,982,700, or \$796.54 per respondent per year. The combined annual cost to all respondents is thus \$9,987,300.

Because the FBI will not accept fingerprint cards directly from submitting organizations, Commission approval of fingerprint plans from certain SROs is essential to carry out the Congressional goal to fingerprint securities industry personnel. Filing these plans for review assures users and their personnel that fingerprint cards will be handled responsibly and with due care for confidentiality.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the
