With respect to the following collection of information, VHA invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of VHA’s functions, including whether the information will have practical utility; (2) the accuracy of VHA’s estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or the use of other forms of information technology.

Titles: VSO Access to VHA Electronic Health Records.

OMB Control Number: 2900–0710.

Type of Review: Revision of a currently approved collection.

Abstract: The information is being used to establish VA Veterans Health Information Systems Technology Architecture (VistA) computer accounts for Veteran Service Officers (VSO’s) who have been granted Power Of Attorney by veterans who have medical information recorded in VA electronic health records. This information is

collected under the authority of Title 38, CFR parts 51 and 52, Veterans Benefits.

The information will be used by VHA Office of Health Information Governance and/or contractors to create accounts in the VistA computer system for VSO’s. The information collected is used for a national roll-out of a project targeted at providing more efficient benefits processing services to veterans. The VistA system requires a minimal set of data to create an account, which has been reflected on the form. After the initial roll-out, the burden to the government will be minimal, only involving VSO staff turnover.

Title: Application for Extended Care Services, VA Form 10-10EC.

OMB Control Number: 2900-0629.

Type of Review: Revision of a currently approved collection.

Abstract: Title 38 U.S.C. Chapter 17 authorizes VA to provide hospital care, medical services, domiciliary care and nursing home care to eligible Veterans. Title 38 U.S.C. 1705 requires VA to design, establish and operate a system of annual patient enrollment in accordance with a series of stipulated priorities. A consequence of this is that many groups of Veterans who are in a lower priority group may request that they be allowed to be income tested in order to gain a higher priority. Title 38 U.S.C. 1722 establishes eligibility assessment procedures for cost-free VA medical care, based on income levels, which will determine whether nonservice-connected and 0% service-connected noncompensable Veterans are able to defray the necessary expenses of care for nonservice-connected conditions. Title 38 U.S.C. 1722A establishes the eligibility assessment procedures, based on income levels, for determining Veterans' eligibility for cost-free medications and Title 38 U.S.C. 1710B defines the procedures for establishing eligibility for cost-free Extended Care benefits. Title 38 U.S.C. 1729 authorizes VA to recover from Veterans' health

insurance carriers the cost of care furnished for their nonservice-connected conditions.

VA Form 10-10EC, Application for Extended Care Services, is used to collect financial information necessary to determine a Veteran's copayment obligation for extended care services, also known as long term care (LTC). VA Form 10-10EC, Application for Extended Care Services collects information to establish eligibility for extended care benefits, establishes financial liability Veteran to pay if accepted for placement in Extended Care Services, and establishes veteran has agreed to make any applicable copayment.

Affected Public: Individuals or Households.

Estimated Total Annual Burden: 3,000 hours.

Estimated Average Burden per Respondent: 90 minutes.

Frequency of Response: Yearly.

Estimated Number of Respondents: 2,000.
