SUPPLEMENTARY INFORMATION:

Nominations for FACOSH Membership

The Assistant Secretary of OSHA invites interested individuals to submit nominations for membership on FACOSH. In addition, this notice announces new nomination procedures for FACOSH.

Background. FACOSH is authorized to advise the Secretary of Labor (Secretary) on all matters relating to the occupational safety and health of federal employees (Occupational Safety and Health Act of 1970 (29 U.S.C. 668), 5 U.S.C. 7902, Executive Orders 12196 and 13511). This includes providing advice on how to reduce and keep to a minimum the number of injuries and illnesses in the federal workforce, and how to encourage the establishment and maintenance of effective occupational safety and health programs in each federal agency.

FACOSH membership. FACOSH is comprised of 16 members who the Secretary appoints to staggered terms of up to three years. The categories of FACOSH membership and the number

of new members to be appointed to three-year terms beginning January 1, 2015 include:

- Eight members who are federal agency management representatives—Three management representatives will be appointed; and
- Eight members who are representatives of labor organizations that represent federal employees—Two federal employee representatives will be appointed.

FACOSH members serve at the pleasure of the Secretary and may be appointed to successive terms. FACOSH meets at least twice a year.

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse FACOSH membership. Any interested federal agency, labor organization, or individual(s) may nominate one or more qualified persons for membership on FACOSH. Interested individuals also are invited and encouraged to submit statements in support of particular nominees.

Nomination requirements.

Submission of nominations must include the following information:

1. The nominee's name, contact information and current occupation or position;
2. The nominee's resume or curriculum vitae, including prior membership on FACOSH and other relevant organizations, associations and committees;
3. Category of membership (management, labor) the nominee is qualified to represent;
4. A summary of the nominee's background, experience and qualifications that address the nominee's suitability to serve on FACOSH;
5. Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience and expertise in occupational safety and health, particularly as it pertains to the federal workforce; and
6. A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in FACOSH meetings, and has no apparent conflicts of interest that would preclude membership on FACOSH.

Member selection. The Secretary appoints FACOSH members based upon criteria that include the nominee's level of responsibility for occupational safety and health matters involving the federal workforce; experience and competence in occupational safety and health; and willingness and ability to regularly and fully participate in FACOSH meetings. Federal agency management nominees who serve as their agency's Designated

Agency Safety and Health Official (DASHO), or at an equivalent level of responsibility within their respective federal agencies, are preferred as management members. Labor nominees who have responsibilities for federal employee occupational safety and health matters within their respective labor organizations are preferred as labor members.

The information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. OSHA will publish a list of the new FACOSH members in the **Federal Register**.

If, instead, you wish to submit additional materials in reference to an electronic or FAX submission, you must submit them to the OSHA Docket Office (see **ADDRESSES** section). The additional material must clearly identify your electronic or FAX submission by name and docket number for this **Federal Register** notice so that the materials can be attached to your submission.

Because of security-related procedures, the use of regular mail may cause a significant delay in the receipt of nominations. New Nomination Procedures

OSHA is establishing new membership nomination procedures for FACOSH. With this notice, OSHA begins accepting and considering FACOSH nominations on a "rolling basis." OSHA will consider any nomination you submit by October 5, 2014, for membership positions that open on January 1, 2015, as well as for any vacancy that occurs during 2015, such as due to a member resignation. In addition, OSHA will roll over the nominations received in response to this notice for consideration for membership positions that open January 1, 2016.

Each year OSHA will publish a request for nominations for membership positions. OSHA will consider nominations received in response to that notice for the following:

- Membership positions beginning January 1 of the next year;
- Vacancies that occur during the next year; and
- Membership positions that begin January 1 of the year that follows.

OSHA believes that rolling over nominations will make it easier for interested persons to be considered for membership on FACOSH because they will not have to submit a nomination every year. The new procedures also will provide OSHA with a broad base of nominations to consider in order to ensure that FACOSH membership is fairly balanced, which the Federal Advisory Committee Act requires (5 U.S.C. App. 2, Section (5)(b)(2); 41 CFR 102–3.30(c)).

FACOSH Appointments

FACOSH is comprised of 16 members; eight representing federal agency management and eight from labor

organizations representing federal employees. The Secretary has appointed the following individuals to a three-year term on FACOSH:

Federal employee representatives:

- Carolyn D. Bland-Bowles, American Federation of State, County and Municipal Employees;
- Dennis P. Phelps, International Brotherhood of Electrical Workers; and
- Mark J. Segall, National Association of Agriculture Employees.

Federal agency management representatives:

- Wesley J. Carpenter, U.S. Environmental Protection Agency;
- Wayne Quillin, U.S. Department of State; and
- Maureen Sullivan, U.S. Department of Defense.
