As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.³ Therefore, all deadlines in this segment of the proceeding were extended by 16 days. Accordingly, the deadline for the final results of this review was revised forward to January 24, 2014.

Analysis of Comments Received

All issues raised in the case briefs are addressed in the Issues and Decision Memorandum.⁶ A list of the issues raised is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is available on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Final Results of Review

In accordance with 19 CFR 351.221(b)(5), we calculated net subsidy rates for Dongbu, POSCO, and HYSCO of 0.10, 0.20, and 0.26 percent *ad valorem*, respectively, which are *de minimis* rates.⁷

Assessment Rates

In accordance with 19 CFR 351.212(b)(2), the Department intends to issue appropriate assessment instructions directly to U.S. Customs and Border Protection ("CBP") 15 days after the date of publication of these final results, to liquidate shipments of

subject merchandise by Dongbu, POSCO, and HYSCO entered, or withdrawn from warehouse, for consumption on or after January 1, 2011, through December 31, 2011, without regard to countervailing duties because a *de minimis* subsidy rate was calculated for each company.

Cash Deposit Instructions

On March 19, 2013, the Department published the *Revocation Notice* in the **Federal Register** in which it explained that 15 days after the publication date of the *Revocation Notice*, the Department would instruct CBP to terminate the suspension of liquidation and to discontinue the collection of cash deposits on entries of the subject merchandise, entered or withdrawn from warehouse, on or after February 14, 2012.⁸ Pursuant to the *Revocation Notice* the Department will further instruct CBP to refund with interest all cash deposits on entries made on or after February 14, 2012. Further, as explained in the *Revocation Notice*, entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping and/or countervailing duty deposit requirements and assessments. Lastly, in the *Revocation Notice*, the Department explained that it will complete any pending or requested administrative reviews of these orders covering entries prior to February 14, 2012.⁹

Thus, as a result of the revocation of the order, the Department will not issue cash deposit instructions in connection with this administrative review.

Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in

this proceeding, in accordance with 19 CFR 351.224(b).

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(h)(1).

Dated: January 24, 2014.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
