Agency: International Trade Administration (ITA).

Title: Annual Report from Foreign-Trade Zones.

Burden Hours: 11,073 hours.

Number of Respondents: 173.

Needs and Uses: The Foreign-Trade Zone Annual Report is the vehicle by which Foreign Trade Zone (FTZ) grantees report annually to the Foreign Trade Zones Board, pursuant to the requirements of the Foreign Trade Zones Act (19 U.S.C. 81a-81u). The annual reports submitted by grantees are the only complete source of compiled information on FTZ's. The public uses the information regarding activities in FTZ's to evaluate their effect on industry sectors. The information contained in annual reports also helps zone grantees in their marketing efforts.

Wooden Bedroom Furniture From the People's Republic of China: Amended Final Results of Antidumping Duty New Shipper Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the "Department") is amending the final results of the new shipper review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China covering the period January 1, 2012 through December 31, 2012 to correct a ministerial error.

DATES: *Effective Date:* September 25, 2014.

FOR FURTHER INFORMATION CONTACT: Lori Apodaca, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4551.

SUPPLEMENTARY INFORMATION: On September 2, 2014, the Department published in the **Federal Register** the final results of the 2012 new shipper review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China.¹ Prior to that, on August 29, 2014, the Department disclosed to interested parties its calculations for the final results in accordance with 19 CFR 351.224(b). On September 2, 2014, the new shipper, Dongguan Chengcheng Furniture Co., Ltd., submitted a timely ministerial error allegation with respect to the Department's final results in the new shipper review.

Ministerial Error

A ministerial error, as defined in section 751(h) of the Tariff Act of 1930, as amended ("the Act"), includes "errors in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other type of unintentional error which the

administering authority considers ministerial.”² Dongguan Chengcheng Furniture Co., Ltd. alleges that the Department incorrectly identified it as “Dongguan Chengcheng Group Co., Ltd.” in the rate table for the final results of the new shipper review. Dongguan Chengcheng Furniture Co., Ltd. states that the Department used the correct name of the company, Dongguan Chengcheng Co., Ltd., in another part of the final results notice and, thus, it requests that the Department correct the

name of the company in the final results rate table by eliminating the word “Group” from the company name.

After analyzing the ministerial error allegation, in accordance with section 751(h) of the Act, we agree that we incorrectly listed the name of the company in the final results of the new shipper review. However, we have not corrected the name in the manner requested by Dongguan Chengcheng Furniture Co., Ltd. The record shows that we initiated the new shipper review on Dongguan Chengcheng Furniture Co.,

Ltd. Moreover, company records submitted by the new shipper show that the company’s name is “Dongguan Chengcheng Furniture Co., Ltd.” Thus, we have corrected the error by removing the word “Group” from the company name and replacing it with the word “Furniture” rather than simply removing the word “Group” as requested by Dongguan Chengcheng Furniture Co., Ltd. The correct name is in the table below:

Amended Final Results of the Review

Exporter	Producer	Weighted-average dumping margin (percent)
Dongguan Chengcheng Furniture Co., Ltd	Dongguan Chengcheng Furniture Co., Ltd	0.00

These amended final results are published in accordance with sections 751(h) and 777(i)(1) of the Act.

Dated: September 19, 2014.

Acting Assistant Secretary for Enforcement and Compliance.

Small Diameter Graphite Electrodes From the People’s Republic of China: Final Results of Antidumping Duty Administrative Review; 2012–2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On March 24, 2014, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on small diameter graphite electrodes from the People’s Republic of China (the PRC). The period of review (POR) is February 1, 2012, through January 31, 2013. For the final results, we continue to find that certain companies covered by this review made sales of subject merchandise at less than normal value,

and that other companies are now part of the PRC-wide entity.

DATES: *Effective Date:* September 25, 2014.

FOR FURTHER INFORMATION CONTACT:

Dmitry Vladimirov or Michael Romani, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0665 or (202) 482–0198, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 24, 2014, the Department published the preliminary results of the administrative review of the antidumping duty order on small diameter graphite electrodes from the PRC.¹ We received case and rebuttal briefs with respect to the *Preliminary Results*.

We conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise covered by the order includes all small diameter graphite electrodes with a nominal or actual diameter of 400 millimeters (16 inches) or less and graphite pin joining systems for small diameter graphite electrodes. Small diameter graphite electrodes and

graphite pin joining systems for small diameter graphite electrodes that are subject to the order are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 8545.11.0010, 3801.10, and 8545.11.0020. The HTSUS numbers are provided for convenience and customs purposes. A full description of the scope of the order is contained in the Issues and Decision Memorandum.² The written description of the scope of the order is dispositive.

Determination of No Shipments

UK Carbon and Graphite Co., Ltd. (UKCG) filed a timely “no shipment” certification stating that it had no exports, sales, or entries of subject merchandise during the POR.³ We subsequently confirmed with U.S. Customs and Border Protection (CBP) the “no shipment” claim made by UKCG.⁴ Based on the certification by UKCG and CBP’s confirmation, we determine that UKCG did not have any reviewable entries of subject merchandise during the POR, and will issue appropriate instructions that are consistent with our “automatic assessment” clarification, for these final results.⁵
