

that is not appropriately marked or otherwise restricted, regardless of source.

In addition, (1) the header and footer of every page that contains confidential, proprietary, or privileged information must be marked as follows: "Contains Confidential, Proprietary, or Privileged Information Exempt from Public Disclosure" and (2) every line and paragraph containing proprietary, privileged, or trade secret information must be clearly marked with double brackets or highlighting.

IV. Evaluation and Administration by Federal and Non-Federal Personnel

Federal employees are subject to the non-disclosure requirements of a criminal statute, the Trade Secrets Act, 18 U.S.C. 1905. The Government may seek the advice of qualified non-Federal personnel. The Government may also use non-Federal personnel to conduct routine, nondiscretionary administrative activities. The respondents, by submitting their response, consent to EERE providing their response to non-Federal parties. Non-Federal parties given access to responses must be subject to an appropriate obligation of confidentiality prior to being given the access. Submissions may be reviewed by support contractors and private consultants.

V. Discussion

DOE seeks a variety of different types of information to help inform its decision regarding how future Solar Decathlon competitions will be organized. To this end, DOE seeks detailed information regarding the following aspects related to the Solar Decathlon competitions:

Question 1

How could the goals of the Solar Decathlon evolve to create a larger impact on the market needs of the following industry sectors?

- a. Buildings
- b. Solar
- c. Utility
- d. Transportation
- e. Education

Question 2

What additional outcomes of the Solar Decathlon could increase the scale of that impact, and improve its cost effectiveness for the U.S.?

Question 3

What is the appropriate role for DOE with respect to delivering on this potential impact?

Question 4

What changes could be made to the Solar Decathlon rules, format, location and logistics to achieve those outcomes?

Question 5

How could the public and private roles and funding sources be developed to achieve those outcomes?

Question 6

What should the Solar Decathlon look like in 10 years?

VI. Public Participation

DOE invites all interested parties to submit in writing by the date specified previously in the **DATES** section of this RFI, comments and information on matters addressed in this notice and on other matters relevant to DOE's designing, planning and implementing the next generation of the Solar Decathlon 2017 and beyond.

Issued in Washington, DC, on October 6, 2014.

Kathleen B. Hogan,

Deputy Assistant Secretary for Energy Efficiency, Energy Efficiency and Renewable Energy.
