

the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. These proposed supplementary rules would merely establish rules of conduct for use of a limited area of public lands and do not affect commercial or business activities of any kind.

#### *Unfunded Mandates Reform Act*

These proposed supplementary rules would not impose an unfunded mandate on State, local, or tribal governments or the private sector of more than \$100 million per year nor do they have a significant or unique effect on State, local, or tribal governments or the private sector. Therefore, the BLM is not required to prepare a statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*).

#### *Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights (Takings)*

These proposed supplementary rules would not have significant takings implications nor would they be capable of interfering with constitutionally protected property rights. Therefore, the BLM has determined that these rules would not cause a "taking" of private property or require preparation of a takings assessment.

#### *Executive Order 13132, Federalism*

These proposed supplementary rules would not have a substantial direct effect on the States, on the relationship between the Federal Government and the States, or on the distribution of power and responsibilities among the various levels of government. The proposed supplementary rules would not conflict with any law or regulation of the State of Idaho. Therefore, in accordance with Executive Order 13132, the BLM has determined that these proposed supplementary rules would not have sufficient federalism implications to warrant preparation of a Federalism Assessment.

#### *Executive Order 12988, Civil Justice Reform*

The BLM has determined that these proposed supplementary rules would not unduly burden the judicial system and that they meet the requirements of sections 3(a) and 3(b)(2) of Executive Order 12988.

#### *Executive Order 13175, Consultation and Coordination With Indian Tribal Governments*

Consultation and Coordination with the Shoshone-Bannock and Shoshone-Paiute Tribes has been ongoing since 2010. The Tribes have been fully briefed and support these proposed supplementary rules.

#### *Information Quality Act*

The Information Quality Act (Section 515 of Pub. L. 106–554) requires Federal agencies to maintain adequate quality, objectivity, utility, and integrity of the information that they disseminate. In developing these proposed supplementary rules, the BLM did not conduct or use a study, experiment, or survey or disseminate any information to the public.

#### *Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use*

These proposed supplementary rules would not constitute a significant energy action. The proposed supplementary rules would not have an adverse effect on energy supplies, production, or consumption, and have no connection with energy policy.

#### *Paperwork Reduction Act*

These proposed supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

#### *Author*

The principal author of these supplementary rules is Michael C. Courtney, Burley Field Manager, Bureau of Land Management.

For the reasons stated in the Preamble, and under the authority of 43 CFR 8365.1–6, the Burley Field Office, Bureau of Land Management, proposes to issue supplementary rules for BLM-administered lands covered under the Cassia Resource Management Plan Amendment at Castle Rocks, to read as follows:

#### **SUPPLEMENTARY RULES FOR THE PORTION OF THE CASTLE ROCKS AREA MANAGED BY THE U.S. BUREAU OF LAND MANAGEMENT**

##### **Definitions:**

*Traditional rock climbing* means a style of climbing where a climber or group of climbers places all gear required to protect against falls and removes it when passage is complete.

*Sport rock climbing* means a style of climbing that relies on fixed protection

against falls, usually bolts and/or top anchors.

*Bouldering* means ropeless climbing that involves short, sequential moves on rock usually no more than 20 feet off the ground and uses bouldering crash pads at the base of the climbing area to prevent injuries from falls.

*Staging* means assembling, unpacking or otherwise preparing gear for climbing; typically conducted at the base of a cliff, where gear such as backpacks may also be left during a climb, but in some cases, is conducted at the top of a cliff.

*Trail building* means the act of creating new travel routes through the use of tools; or user-created trails developed through repeated visits to a specific destination. EA DOI-BLM-ID-T020-2013-0010-EA, Appendix II serves as the baseline for existing trails on BLM lands.

*Camping* means setting up, occupying or making use of a place for shelter or overnight stay.

On BLM-administered public land within the Castle Rocks area, the following supplementary rules apply:

1. Traditional and sport rock climbing and bouldering are prohibited.
2. Staging is prohibited.
3. Camping is prohibited.
4. Trail building is prohibited.

EXCEPTIONS: The following persons are exempt from these supplementary rules:

- A. Any Federal, State, local and/or military employee acting within the scope of their duties;
- B. Members of any organized rescue or fire-fighting force in performance of an official duty; and
- C. Persons, agencies, municipalities, or companies holding an existing special-use permit and operating within the scope of their permit.

PENALTIES: On public lands under Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)) and 43 CFR 8360.0–7, any person who violates any of these supplementary rules may be tried before a United States Magistrate and fined no more than \$1,000 or imprisoned for no more than 12 months or both. Such violations may also be subject to enhanced fines provided for by 18 U.S.C. 3571.

### **Notice of Application for Withdrawal Extension and Opportunity for Public Meeting; Oregon**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The United States Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) requesting that the Secretary of the Interior extend the duration of Public Land Order (PLO) No. 7184 for an additional 20-year term. PLO No. 7184 withdrew approximately 4,921 acres of National Forest System land from mining in order to protect the recreational and visual resources of the Elk River Wild and Scenic Corridor. The withdrawal created by PLO No. 7184 will expire on February 13, 2016, unless it is extended. This notice gives the public an opportunity to comment on the application and proposed action and to request a public meeting.

**DATES:** Comments and requests for a public meeting must be received by January 13, 2015.

**ADDRESSES:** Comments and meeting requests should be sent to the BLM Oregon/Washington State Director, P.O. Box 2965, Portland, OR 97208-2965 or 1220 SW 3rd Avenue, Portland, OR 97204-3264.

**FOR FURTHER INFORMATION CONTACT:**

Michael L. Barnes, BLM Oregon/Washington State Office, 503-808-6155; or Candice Polisky, USFS Pacific Northwest Region, 503-808-2479.

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact either of the above individuals. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individuals. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The USFS has filed an application requesting that the Secretary of the Interior extend PLO No. 7184 (61 FR 5719 as corrected by 61 FR 24948 (1996)), which withdrew certain lands in Curry County, Oregon from location and entry under the United States mining laws (30 U.S.C. Ch. 2) for an additional 20-year term, subject to valid existing rights. PLO No. 7184, as corrected, is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to ensure the continued protection of the recreational and visual resources of the Elk River Wild and Scenic Corridor. The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection.

The USFS would not need to acquire water rights to fulfill the purpose of the requested withdrawal extension.

Records related to the application may be examined by contacting Michael L. Barnes at the above address or phone number.

For a period until January 13, 2015, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM State Director at the address indicated above. Comments, including names and street addresses of respondents, will be available for public review at the address indicated above during regular business hours. Before including your address, phone number, email address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so. Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the BLM State Director at the address indicated above by January 13, 2015. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.4.
