Lightweight Thermal Paper From China and Germany; Notice of Commission Determination To Conduct Full Five-year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the countervailing duty order and antidumping duty orders on lightweight thermal paper from China and Germany would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: *Effective Date:* January 23, 2014.

FOR FURTHER INFORMATION CONTACT: Amy Sherman (202-205-3289), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-

The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On January 23, 2014, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (78 FR 60313, October 1, 2013) was adequate and that the respondent interested party group response with respect to Germany was adequate, and decided to conduct a full review of the antidumping duty order on lightweight thermal paper from Germany. The Commission found that the respondent interested party group response with respect to subject imports from China was inadequate. However, the Commission determined to conduct full reviews concerning the orders on lightweight thermal paper from China to promote administrative efficiency in light of its decision to conduct a full review with respect to Germany.¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.
