Submission for OMB Review; 30-Day Comment Request: Evaluation of Cancer Control Leadership Forums at the Center for Global Health (CGH) (NCI).

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on July 15, 2014, Vol. 79, page 41295 and allowed 60-days for public comment. One public comment was received. The purpose of this notice is to allow an additional 30 days for public comment. The National Cancer Institute (NCI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, OIRA_submission@omb.eop.gov or by fax to 202-395-6974, Attention: NIH Desk Officer.

DATES: *Comment Due Date:* Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, or request more information on the proposed project, contact: Brenda Kostelecky, Center for

Global Health, National Cancer Institute, 9609 Medical Center Dr., RM 3W276, Rockville, MD 20850 or call non-toll-free number 240-276-5585 or Email your request, including your address to: brenda.kostelecky@nih.gov. Formal requests for additional plans and instruments must be requested in writing.

Proposed Collection: Evaluation of Cancer Control Leadership Forums at the Center for Global Health (CGH) (NCI), 0925-NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: This submission is a request for OMB to approve the Cancer Control Leadership Forums. These workshops are organized and funded by the National Cancer Institute's CGH in conjunction with various partners ranging from foreign Ministries of Health and research institutions, to international non-governmental organizations (NGOs) and U.S. academic institutions. The goal of the U.S. National Cancer Institute (NCI) Cancer Control Leadership Forums is to increase the capacity of participating countries to initiate or enhance cancer control planning and implementation in their respective countries. The Forums are an opportunity for countries to exchange experiences and ideas about creating and implementing comprehensive cancer control plans. The proposed evaluation requests information about the outcomes of the forums including (1) status of cancer control planning and implementation in each participating country, (2) outcomes related to the action plans (e.g. developing written materials, completion of action items, resources and support acquired), (3) successes and challenges related to the action plans, and (4) new cancer control partnerships and networks. Baseline information regarding the status of cancer control planning and implementation will be collected 3 months prior to the Forums in order to inform the development of each Forum. The evaluation information will be collected 3-24 months after each forum and is needed to evaluate the effectiveness of these workshops in order to inform future programming and funding decisions.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 108.
