SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-73608; File No. SR-ICEEU-2014-19]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Finance Procedures

November 14, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 6, 2014, ICE Clear Europe Limited ("ICE Clear Europe" or "the Clearing House") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I, II and III below, which Items have been primarily prepared by ICE Clear Europe. ICE Clear Europe filed the proposal pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(4)(ii) thereunder,⁴ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed changes is to facilitate the use by F&O Clearing Members of an additional triparty collateral service provider.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the amendments is to modify the Finance Procedures to appoint Clearstream Banking as an additional triparty collateral service provider in addition to Euroclear Bank, which currently acts as the sole service provider. Clearstream Banking will only serve as a triparty collateral service provider for Original Margin provided in respect of F&O Contracts.

Specifically, changes are made throughout paragraph 3 of the Finance Procedures to add a reference to Clearstream Banking and to remove references to Euroclear Bank as the sole triparty collateral service provider, as appropriate. Paragraph 3.1 has been revised to designate Clearstream Banking as an additional triparty collateral service provider, solely with respect to Original Margin provided in respect of F&O Contracts. Paragraph 3.2 has been revised to reflect that there are two triparty collateral service providers, and to refer to equivalent documentation that may be required by Clearstream Banking as well as Euroclear Bank. Paragraph 3.9 has been revised to indicate that the Clearing House will provide to Clearing Members the relevant account details for the Clearing House's account at each triparty collateral service provider. Revised paragraph 3.9 also provides that the Clearing House will specify relevant details of the manner in which a Clearing Member may use a pledged

collateral arrangement in connection with a triparty collateral account. Current paragraph 3.10, which addressed pledged collateral arrangements only with Euroclear, has been removed as unnecessary. Remaining subparagraphs in paragraph 3 have been renumbered accordingly.

2. Statutory Basis

ICE Clear Europe believes that the proposed changes are consistent with the requirements of Section 17A of the Act⁵ and the regulations thereunder applicable to it. Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions and to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible.

The proposed amendments are intended to extend the Clearing House's existing triparty collateral service to allow optional use by Clearing Members of Clearstream Banking as an additional triparty collateral service provider with respect to Original Margin for F&O Contracts. The amendments do not otherwise change the substantive terms of the service. ICE Clear Europe views Clearstream Banking as substantially similar to Euroclear, the current service provider, from an operational and risk perspective and otherwise in terms of the safeguarding of funds and securities. As a result, ICE Clear Europe believes that the proposed changes will not adversely affect the safeguarding of securities or funds in the custody or control of ICE Clear Europe or for which it is responsible, and are therefore consistent with the requirements of Section 17A(b)(3)(F).⁷

B. Self-Regulatory Organization's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendments would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes will provide additional flexibility to F&O Clearing Members by permitting the use, on a voluntary basis, of an alternative triparty collateral service provider. The changes will otherwise not affect the terms or conditions of any cleared contract or the

standards or requirements for participation in or use of the Clearing House. Accordingly, the changes should not, in the Clearing House's view, affect the availability of clearing, access to clearing services or the costs of clearing for clearing members or other market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed changes to the rules have not been solicited or received. ICE Clear Europe will notify the Commission of any written comments received by ICE Clear Europe.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁸ of the Act and Rule 19b-4(f)(4)(ii)⁹ thereunder because it effects a change in an existing service of a registered clearing agency that primarily affects the operations of the clearing agency with respect to products that are not securities, including futures that are not security futures, swaps that are not security-based swaps or mixed swaps, and forwards that are not security forwards, and does not significantly affect any securities clearing operations of the clearing agency or any rights or obligations of the clearing agency with respect to securities clearing or persons using such securities clearing service, within the meaning of Rule 19b-4(f)(4)(ii).¹⁰ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
