The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) Part 71 by establishing Class E en route domestic airspace extending upward from 1,200 feet above the surface at the Hazen VORTAC navigation aid, Hazen, NV. This action would contain aircraft while in IFR conditions under control of Oakland ARTCC by vectoring aircraft from en route airspace to terminal areas.

Class E airspace designations are published in paragraph 6006, of FAA Order 7400.9Y, dated August 6, 2014, and effective September 15, 2014, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in this Order.

The FAA has determined this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1,

Section 106, describes the authority for the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would establish controlled airspace at the Hazen VORTAC, Hazen, NV.

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

DEPARTMENT OF THE TREASURY

Financial Crimes Enforcement Network

31 CFR Part 1010

RIN 1506—AA67

Financial Crimes Enforcement Network; Withdrawal of the Proposed Rule Against PJSC Trustbank, Formerly Known as Infobank

AGENCY: Financial Crimes Enforcement Network ("FinCEN"), Treasury.

ACTION: Withdrawal of the proposed rulemaking.

SUMMARY: This document withdraws FinCEN's August 24, 2004 proposed rule proposing imposition of the fifth special measure against PJSC Trustbank, formerly known as Infobank ("Trustbank"), as a financial institution of primary money laundering concern, pursuant to the authority contained in the Bank Secrecy Act.

DATES: As of December 15, 2014, the proposed rule published August 24, 2004, at 69 FR 51973, is withdrawn.

FOR FURTHER INFORMATION CONTACT: The FinCEN Resource Center at (800) 767–2825.

SUPPLEMENTARY INFORMATION:

I. Background

The Bank Secrecy Act ("BSA"), codified at 12 U.S.C. 1829b, 21 U.S.C. 1951–1959, and 31 U.S.C. 5311–5314 and 5316–5332, promotes the prevention, detection, and prosecution of money laundering, tax evasion, the financing of terrorism, and other financial crimes. Regulations implementing the BSA appear at 31 CFR Chapter X. The authority of the Secretary of the Treasury ("the Secretary") to administer the BSA and its implementing regulations has been delegated to the Director of FinCEN.

Section 5318A of the BSA grants the Secretary authority, upon finding that reasonable grounds exist for concluding that a foreign jurisdiction, foreign financial institution, class of international transactions, or type of account is of "primary money laundering concern," to require domestic financial institutions and domestic financial agencies to take

certain "special measures" against the primary money laundering concern.

II. The Finding, Notice of Proposed Rulemaking, and Subsequent Developments

A. The Notice of Finding and Notice of Proposed Rulemaking

Based upon review and analysis of relevant information, consultations with relevant Federal agencies and departments, and after consideration of the factors enumerated in section 311, the Director of FinCEN found that reasonable grounds existed for concluding that Trustbank was a financial institution of primary money laundering concern. FinCEN published a proposed rule proposing the imposition of the fifth special measure on August 24, 2004, pursuant to the authority under 31 U.S.C. 5318A.¹

B. Subsequent Developments

Since FinCEN's notice of proposed rulemaking, material facts regarding the circumstances of the proposed rulemaking and the basis of the finding of primary money laundering concern have changed. Based on the totality of the current circumstances and available facts, FinCEN concludes that it is no longer appropriate to maintain its finding that Trustbank represents a primary money laundering concern, and FinCEN will therefore not proceed with the rule proposed on August 24, 2004.

III. Withdrawal of the Proposed Rule

For the reasons set forth above, FinCEN hereby withdraws the August 24, 2004 proposed rule proposing the imposition of the fifth special measure authorized by 31 U.S.C. 5318A(B)(5) regarding Trustbank.

Dated: December 8, 2014.

Jennifer Shasky Calvery,

Director, Financial Crimes Enforcement Network.
