

departments and agencies to improve the effectiveness of programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the Rehabilitation Short-Term Training Program is to upgrade the knowledge and skills of staff currently employed by CAPs, to educate CAP staff on new program developments, and to develop staff skills in strategic and operational planning and direction of CAP services, which will ultimately lead to increased responsiveness of the vocational rehabilitation system in order to better assist individuals with disabilities in obtaining competitive employment. In order to measure the success of the grantee in meeting this goal, the CAP training grantee is required to conduct an evaluation of the training activities provided.

The performance measures for this project are:

- The percentage of CAP personnel with zero to five years of experience who reported increased or enhanced knowledge, skills, or abilities as a result of training;
- The percentage of CAP personnel with five to ten years of experience who reported increased or enhanced knowledge, skills, or abilities as a result of training;
- The percentage of CAP personnel with ten or more years of experience who reported increased or enhanced knowledge, skills, or abilities as a result of training;
- The percentage of CAP personnel who reported that the training provided was of sufficient quality, relevance, and demonstrated usefulness to their work;
- The percentage of CAP personnel who reported that the quality of technical assistance, including materials provided, were of sufficient quality, relevance, and demonstrated usefulness to their work; and
- The percentage of CAP personnel who reported that the technical assistance received adequately addressed their needs.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation grant, the

Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

[Docket No. RM98-1-000]

Records Governing Off-the-Record Communications; Public Notice

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in

reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications listed are grouped by docket numbers in ascending order. These filings are available for electronic review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659.
