OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Dispute No. WT/DS489]

WTO Dispute Settlement Proceeding Regarding Certain Measures Providing Export-Contingent Subsidies to Enterprises in Several Industrial Sectors in China

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice that on February 11, 2015, the United States requested consultations with the Government of

the People’s Republic of China (“China”) under the *Marrakesh Agreement Establishing the World Trade Organization* (“WTO Agreement”) concerning certain measures providing export-contingent subsidies to enterprises in several industrial sectors in China. That request may be found at www.wto.org, contained in a document designated as WT/DS489/1. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before April 15, 2015 to assure timely consideration by USTR.

ADDRESSES: Public comments should be submitted electronically at www.regulations.gov, docket number USTR–2015–0004. If you are unable to provide submissions at www.regulations.gov, please contact Sandy McKinzy at (202) 395–9483 to arrange for an alternative method of transmission.

If (as explained below) the comment contains confidential information, then the comment should be submitted by fax only to Sandy McKinzy at (202) 395–3640.

FOR FURTHER INFORMATION CONTACT: Arthur Tsao, Assistant General Counsel, Office of the United States Trade Representative, (202) 395–3150.

SUPPLEMENTARY INFORMATION: USTR is providing notice that consultations have been requested pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (“DSU”). If such consultations should fail to resolve the matter and a dispute settlement panel is established pursuant to the DSU, such a panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations pursuant to Article 12 of the DSU.

Major Issues Raised by the United States

On February 11, 2015, the United States requested consultations with China concerning certain measures providing export-contingent subsidies to enterprises in several industrial sectors in China. It appears that China provides export-contingent subsidies through a program establishing “Foreign Trade Transformation and Upgrading Demonstration Bases” (“Demonstration Bases”) and “Common Service Platforms”. Demonstration Bases are industrial clusters of enterprises in several Chinese industries, including

the textiles, agriculture, medical products, light industry, special chemical engineering, new materials, and hardware and building materials industries. Common Service Platforms are service suppliers designated by China to provide services to enterprises in Demonstration Bases. China designates an industrial cluster of enterprises in a particular industry as a Demonstration Base and then provides export-contingent subsidies to the enterprises located in the Demonstration Base. These subsidies include the provision of discounted or free services through Common Service Platforms or the provision of cash grants. In addition, it appears that China provides certain other export-contingent subsidies to Chinese manufacturers, producers, and farmers.

The Demonstration Base/Common Service Platform program and the export subsidies at issue are reflected in legal instruments that include, but are not limited to, the instruments set out in the consultations request.

Because the Demonstration Base/Common Service Platform program and the export subsidies at issue provide subsidies contingent upon export performance to enterprises located in China, the measures appear to be inconsistent with Article 3.1(a) of the SCM Agreement, and China appears to have acted inconsistently with Article 3.2 of the SCM Agreement.
