## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

[Docket ID FEMA-2014-0002]

#### Final Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Final notice.

**SUMMARY:** Flood hazard determinations, which may include additions or modifications of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or regulatory floodways on the Flood Insurance Rate Maps (FIRMs) and where applicable, in the supporting Flood Insurance Study (FIS) reports have been made final for the communities listed in the table below.

The FIRM and FIS report are the basis of the floodplain management measures that a community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the Federal Emergency Management Agency's (FEMA's) National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report are used by insurance agents and others to calculate appropriate flood insurance premium rates for buildings and the contents of those buildings.

**DATES:** The effective date of March 16, 2015 which has been established for the FIRM and, where applicable, the supporting FIS report showing the new or modified flood hazard information for each community.

**ADDRESSES:** The FIRM, and if applicable, the FIS report containing the final flood hazard information for each community is available for inspection at the respective Community Map Repository address listed in the tables below and will be available online through the FEMA Map Service Center

at [www.msc.fema.gov](http://www.msc.fema.gov) by the effective date indicated above.

**FOR FURTHER INFORMATION CONTACT:** Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov); or visit the FEMA Map Information eXchange (FMIX) online at [www.floodmaps.fema.gov/fhm/fmx\\_main.html](http://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** The Federal Emergency Management Agency (FEMA) makes the final determinations listed below for the new or modified flood hazard information for each community listed. Notification of these changes has been published in newspapers of local circulation and 90 days have elapsed since that publication. The Deputy Associate Administrator for Mitigation has resolved any appeals resulting from this notification.

This final notice is issued in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR part 67. FEMA has developed criteria for floodplain management in floodprone areas in accordance with 44 CFR part 60.

Interested lessees and owners of real property are encouraged to review the new or revised FIRM and FIS report available at the address cited below for each community or online through the FEMA Map Service Center at [www.msc.fema.gov](http://www.msc.fema.gov).

The flood hazard determinations are made final in the watersheds and/or communities listed in the table below. (Catalog of Federal Domestic Assistance No. 97.022, "Flood Insurance.")

Dated: February 26, 2015.

**Roy E. Wright,**

*Deputy Associate Administrator for Mitigation, Department of Homeland Security, Federal Emergency Management Agency.*

BILLING CODE 9110-12-P

## DEPARTMENT OF THE INTERIOR

### Bureau of Ocean Energy Management

#### Outer Continental Shelf, Gulf of Mexico, Oil and Gas Lease Sales, Western Planning Area Lease Sale 248 MMAA 104000

**AGENCY:** Bureau of Ocean Energy Management (BOEM), Interior.

**ACTION:** Notice of Intent to Prepare a Supplemental Environmental Impact Statement and Announcement of Scoping Meetings and Comment Period for Proposed Gulf of Mexico Outer Continental Shelf Oil and Gas Western Planning Area Lease Sale 248.

**SUMMARY:** Consistent with the regulations implementing the National Environmental Policy Act, as amended (42 U.S.C. 4321 *et seq.*) (NEPA), BOEM is announcing its intent to prepare a Supplemental Environmental Impact Statement (EIS) for proposed Western Planning Area (WPA) Lease Sale 248 in the Gulf of Mexico (WPA 248 Supplemental EIS). The WPA 248 Supplemental EIS will update the environmental and socioeconomic analyses in the *Gulf of Mexico OCS Oil and Gas Lease Sales: 2012-2017; Western Planning Area Lease Sales 229, 233, 238, 246, and 248; Central Planning Area Lease Sales 227, 231, 235, 241, and 247, Final Environmental Impact Statement (2012-2017 WPA/CPA Multisale EIS; OCS EIS/EA BOEM 2012-019); Gulf of Mexico OCS Oil and Gas Lease Sales: 2013-2014; Western Planning Area Lease Sale 233; Central Planning Area Lease Sale 231, Final Supplemental Environmental Impact Statement (WPA 233/CPA 231 Supplemental EIS; OCS EIS/EA BOEM*

*2013-0118); Gulf of Mexico OCS Oil and Gas Lease Sales: 2014-2016; Western Planning Area Lease Sales 238, 246, and 248, Final Supplemental Environmental Impact Statement (WPA 238, 246, and 248 Supplemental EIS; OCS EIS/EA BOEM 2014-009); and Gulf of Mexico OCS Oil and Gas Lease Sales: 2015 and 2016; Western Planning Area Lease Sales 246 and 248, Final Supplemental Environmental Impact Statement (WPA 246 and 248 Supplemental EIS; OCS EIS/EA BOEM 2015-008).*

The WPA 248 Supplemental EIS will supplement the NEPA documents cited above for the proposed lease sale in order to consider new circumstances and information arising from, among other things, the *Deepwater Horizon* explosion, oil spill, and response. It will focus on updating the baseline conditions and any new information on the potential environmental effects of oil and natural gas leasing, exploration, development, and production in the WPA identified through the Area Identification procedure as the proposed lease sale area. In addition to the no action alternative (*i.e.*, canceling the proposed lease sale), other alternatives may be considered for the proposed WPA lease sale, such as deferring certain areas from the proposed lease sale area.

**DATES:** Comments should be submitted by April 29, 2015 to the address specified above.

**FOR FURTHER INFORMATION CONTACT:** For information on the WPA 248 Supplemental EIS, the submission of comments, or BOEM's policies associated with this notice, please contact: Mr. Gary D. Goeke, Chief, Environmental Assessment Section, Office of Environment (GM 623E), Bureau of Ocean Energy Management, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans,

Louisiana 70123-2394, telephone 504-736-3233.

**SUPPLEMENTARY INFORMATION:** On August 27, 2012, the Secretary of the Interior approved as final the *Proposed Final OCS Oil & Gas Leasing Program: 2012-2017* (Five-Year Program). This Supplemental EIS will consider the one remaining WPA lease sale for this 2012-2017 Five-Year Program. The proposed WPA lease sale area encompasses virtually all of the WPA's 28.58 million acres, with the exception of whole and partial blocks within the boundary of the Flower Garden Banks National Marine Sanctuary.

This **Federal Register** notice is not an announcement to hold the proposed lease sale, but it is a continuation of information gathering and is published early in the environmental review process in furtherance of the goals of NEPA. Once the NEPA process and WPA 248 Supplemental EIS is completed, the WPA 248 Supplemental EIS content will be summarized in presale documentation prepared during the decisionmaking process for WPA Lease Sale 248. If, after completion of the WPA 248 Supplemental EIS, the Department of the Interior's Assistant Secretary for Land and Minerals Management decides to hold the lease sale, then the lease sale area identified in the final Notice of Sale may exclude or defer certain lease blocks from the area offered. However, for purposes of the WPA 248 Supplemental EIS and to adequately assess the potential impacts of an areawide lease sale, BOEM will consider all unleased blocks that may be offered in proposed WPA Lease Sale 248.

**Scoping Process:** This Notice of Intent (NOI) serves to announce the scoping process for identifying issues and alternatives to consider in the WPA 248 Supplemental EIS. Throughout the scoping process, Federal, State, Tribal,
