BILLING CODE P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Dispute No. WT/DS489]

WTO Dispute Settlement Proceeding Regarding Certain Measures Providing Export-Contingent Subsidies to Enterprises in Several Industrial Sectors in China

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice that the United States has requested the establishment of a dispute settlement panel under the *Marrakesh Agreement Establishing the World Trade Organization* (“WTO Agreement”). That request may be found at www.wto.org contained in a document designated as WT/DS489/6. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before May 12, 2015, to be assured of timely consideration by USTR.

ADDRESSES: Public comments should be submitted electronically to www.regulations.gov, docket number USTR–2015–0004. If you are unable to provide submissions by www.regulations.gov, please contact Sandy McKinzy at (202) 395–9483 to arrange for an alternative method of transmission.

If (as explained below) the comment contains confidential information, then the comment should be submitted by

fax only to Sandy McKinzy at (202) 395-3640.

FOR FURTHER INFORMATION CONTACT: Arthur Tsao, Assistant General Counsel, Office of the United States Trade Representative, Office of the United States Trade Representative, 600 17th Street NW., Washington, DC 20508, (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (“URAA”) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. USTR is providing notice that a dispute settlement panel has been requested pursuant to the WTO Dispute Settlement Understanding (“DSU”) and has been established by the WTO. The panel will hold its meetings in Geneva, Switzerland.

Major Issues Raised by the United States

The United States has requested the establishment of a panel to examine whether certain Chinese measures are providing export-contingent subsidies to enterprises in several industrial sectors in China. It appears that China provides export-contingent subsidies through a program establishing “Foreign Trade Transformation and Upgrading Demonstration Bases” (“Demonstration Bases”) and “Common Service Platforms”. Demonstration Bases are industrial clusters of enterprises in several Chinese industries, including the textiles, agriculture, medical products, light industry, special chemical engineering, new materials, and hardware and building materials industries. Common Service Platforms are service suppliers designated by China to provide services to enterprises in Demonstration Bases. China designates an industrial cluster of enterprises in a particular industry as a Demonstration Base and then provides subsidies to the enterprises located in the Demonstration Base. These subsidies include the provision of discounted or free services through Common Service Platforms or the provision of grants.

The Demonstration Base/Common Service Platform program and the grants at issue are reflected in legal instruments that include, but are not limited to, the instruments set out in the panel request.

Because the Demonstration Base/Common Service Platform program and the grants at issue provide subsidies contingent upon export performance to

enterprises located in China, the measures appear to be inconsistent with Article 3.1(a) of the SCM Agreement, and China appears to have acted inconsistently with Article 3.2 of the SCM Agreement.
