SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75058; File No. SR-FINRA-2015-012]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Clarify the Scope of the Definition of “Asset-Backed Security” for Purposes of Reporting to FINRA’s Trade Reporting and Compliance Engine (TRACE) System

May 28, 2015.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4² thereunder, notice is hereby given that on May 19, 2015, Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to clarify the scope of the definition of “Asset-Backed Security” for purposes of reporting to FINRA’s Trade Reporting and Compliance Engine (TRACE) system.

The text of the proposed rule change is available on FINRA’s Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On November 13, 2013, FINRA proposed a revised definition of “Asset-Backed Security” in Rule 6710 and also proposed new supplementary material to provide further guidance on the intended scope of the definition.⁴ In Amendment No. 1 to the Proposal, FINRA modified the definition of “Asset-Backed Security” to provide that the term excludes any securitized product backed by “residential or commercial mortgage loans, mortgage-backed securities, or other financial assets derivative of mortgage-backed securities.”⁵ However, a corresponding change to the supplementary material to delete such security types from the scope of Asset-Backed Security was not made at that time. FINRA is now proposing to amend Supplementary Material .01 of Rule 6710 to make clear that home equity loans and home equity lines of credit are not within the scope of the defined term “Asset-Backed Security.”⁶

FINRA has filed the proposed rule change for immediate effectiveness. The implementation date of the proposed rule change will be June 1, 2015.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and

equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will clarify the intended scope and operation of the amendments adopted by SR-FINRA-2013-046 by making clear that home equity loans and home equity lines of credit are not within the scope of the definition of “Asset-Backed Security.”

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change clarifies the intended operation of an existing rule.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

FINRA has requested that the Commission waive the requirement that the rule change, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii),¹⁰ so that the proposal may become operative on June 1, 2015, which is the date that TRACE dissemination of the additional Asset-Backed Securities information will begin. The Commission notes that the proposed rule change, by making a conforming change to Supplementary Material .01 of Rule 6710, would clarify the definition of Asset-Backed Security in that Rule. The Commission notes that without such a waiver there could be a period of time during which

⁵ See Amendment No. 1 to SR-FINRA-2013-046.

⁷ 15 U.S.C. 78o-3(b)(6).

⁹ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), FINRA provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

³ 17 CFR 240.19b-4(f)(6).

Supplementary Material .01 and Rule 6710 are inconsistent and, as a result, there could be some ambiguity about the operative definition of Asset-Backed Security. Therefore, the Commission believes that waiving the operative delay for the proposed rule change and allowing it to be implemented on June 1, 2015, which is the date that the definition of Asset-Backed Security in Rule 6710 is effective and TRACE dissemination of Asset-Backed Security information begins, would be appropriate in the public interest and consistent with the protection of investors.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend section 804.00 of the Manual to specify that issuers seeking a review of a delisting decision made by the staff of NYSE Regulation must have paid all prior fees owed to the Exchange before the Exchange will accept payment of the applicable appeal fee.

Companies listed on the Exchange are subject to certain fees throughout the life of their listing, including annual fees for each class or series of security listed on the Exchange as well as fees associated with initial and supplemental listing applications. Although all fees are due immediately when billed, on some limited occasions listed companies fail to remit payment for fees due to the Exchange. If payment is not received when due, the Exchange has procedures in place to collect on outstanding bills. In the event that a listed company repeatedly fails to pay fees due to the Exchange, it can be subject to delisting.
