

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Borusan and Toscelik will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 14.74 percent, the all-others rate established in the LTFV investigation.¹⁴ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 29, 2015.

SUPPLEMENTARY INFORMATION:

Background

On August 7, 2014, the Department published notice of initiation of a new shipper review of fresh garlic from the People's Republic of China for the period November 1, 2013 through April

30, 2014.¹ On December 15, 2014, the Department extended the deadline for the preliminary results to June 3, 2015.²

Scope of the Order

The merchandise covered by this order is all grades of garlic, whether whole or separated into constituent cloves.³ The subject merchandise is currently classifiable under the Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings: 0703.20.0000, 0703.20.0005, 0703.20.0010, 0703.20.0015, 0703.20.0020, 0703.20.0090, 0710.80.7060, 0710.80.9750, 0711.90.6000, 0711.90.6500, 2005.90.9500, 2005.90.9700, and 2005.99.9700. A full description of the scope of the order is contained in the Preliminary Decision Memorandum. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description is dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.214. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Rescission of Kaihua

For the reasons detailed in the Preliminary Decision Memorandum, the Department preliminarily finds that Kaihua's sale under review is not *bona fide*, and therefore, does not provide a reasonable or reliable basis for calculating a dumping margin. The Department reached this conclusion based on the totality of the circumstances, including: (a) The atypical nature of Kaihua's price; (b) Kaihua's failure to demonstrate that it received payment for the sale; and (c) the atypical circumstances surrounding the sale. As result, the Department is preliminarily rescinding the new shipper review of Kaihua.

Disclosure and Public Comment

The Department will disclose the analysis performed for these preliminary results to the parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit written comments by no later than 30 days after the date of publication of these preliminary results of review.⁴ Rebuttals, limited to issues raised in the written comments, may be filed by no later than five days after the written comments are filed.⁵

Any interested party may request a hearing within 30 days of publication of this notice.⁶ Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.⁷

The Department intends to issue the final results of this new shipper review, which will include the results of its analysis of issues raised in any such comments, within 90 days of publication of these preliminary results, pursuant to section 751(a)(2)(B)(iv) of the Act.

Assessment Rates

Upon completion of the final results, pursuant to 19 CFR 351.212(b), the Department will determine, and the U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If we proceed to a

final rescission of the new shipper review, Kaihua's entries will be assessed at the rate entered.⁸ If we do not proceed to a final rescission of the new shipper review, pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific assessment rates. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis*.⁹

Although the Department intends to rescind the new shipper review for Kaihua, the Department is currently conducting an administrative review for the POR November 1, 2013, through October 31, 2014, which could include the entries subject to this new shipper review. Accordingly, we will instruct CBP to continue to suspend entries during the period November 1, 2013, through October 31, 2014, of subject merchandise exported by Kaihua until CBP receives instructions relating to the administrative review covering the period November 1, 2013, through October 31, 2014.

Cash Deposit Requirements

Effective upon publication of the final rescission or the final results of this NSR, we will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise by Kaihua. If the Department proceeds to a final rescission of the new shipper review, the cash deposit rate will continue to be the PRC-wide rate. If we issue final results of the new shipper review for Kaihua, we will instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rates established therein.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

The Department is issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214 and 351.221(b)(4).

Dated: May 29, 2015.

Assistant Secretary for Enforcement and Compliance.

International Trade Data System Test Concerning the Electronic Submission of Certain Data Required for Imports

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for comments.

SUMMARY: NMFS announces a pilot test of the International Trade Data System (ITDS) involving the electronic submission of forms and/or data, related to importations of fish products regulated by NMFS, using the Partner Government Agency (PGA) Message Set and Document Imaging System (DIS) components of the Automated Commercial Environment (ACE). The U.S. Customs and Border Protection (CBP) and NMFS have developed a pilot plan to test and assess the electronic transmission of import data for tuna, swordfish and toothfish.

The pilot test will involve using the ACE, the NMFS PGA Message Set, the DIS and the Automated Broker Interface (ABI) to transmit the data required for admissibility determinations for entries of tuna, swordfish and toothfish. ABI is the electronic data interchange that enables participants to file electronically required import data with CBP and transfers that data into ACE. Initially, under this test, NMFS PGA Message Set data may be submitted only for formal and informal consumption entries (entry types 01 and 11), filed at certain ports.

DATES: The test will commence after July 1, 2015 and will continue until concluded by publication of a notice in the **Federal Register** ending the test. Participants should consult the following Web site to determine which ports are operational for the test and the
