

(2) the filing (individually or jointly) of a valid Petition to Participate.

Only attorneys who are members in good standing of the bar of one or more states may represent parties before the Judges. All corporate parties must appear through counsel. Only if the petitioning party is an individual, may he or she represent himself or herself without legal counsel. 37 CFR 350.2.

The Judges have assigned separate docket numbers to the cable and satellite distribution proceedings for 2013. Participants are required, therefore, to file separate Petitions to Participate with respect to each fund.

Petitions To Participate

Parties filing Petitions to Participate must comply with the requirements of Section 311.1(b) of the CRB's regulations. In addition, each Petition to Participate must set forth the name of each claimant, the corresponding claim number, and an indication of whether the claim is an individual or joint claim. Petitioners are responsible for making a sufficient showing of a "significant interest" in the royalty funds at issue. See 17 U.S.C. 803(b)(2).

Claimants whose claims do not exceed \$1,000 in value and who include a statement in their Petitions to Participate that they will not seek distribution of more than \$1,000 may file the Petition to Participate without payment of the filing fee. The CRB will reject any Petition to Participate that is not accompanied by either the statement of limitation described in the preceding sentence or the \$150 filing fee. The CRB will not accept cash payment. Parties must pay the filing fee with a check or money order payable to the "Copyright Royalty Board." The CRB may reject any Petition to Participate that is accompanied by a check returned for lack of sufficient funds.

How To Submit Petitions To Participate

Any party wishing to participate and share in the distribution of cable or satellite royalty funds for 2013 shall submit to the Copyright Royalty Board the filing fee (US \$150), if required, an original Petition to Participate, five paper copies, and an electronic copy in Portable Document Format (PDF) that contains searchable, accessible text (not an image) on a CD or other portable memory device to only one of the following addresses.
