I. Background

The National Council on Disability (Council) was statutorily created in 1978 through amendment to the Rehabilitation Act of 1973 (29 U.S.C. 780 *et seq.*). The statute was amended by the Workforce Innovation and Opportunity Act (Pub. L. 113-128) in 2014. Since 1984, the Council has been an independent agency outside Executive departments that neither regulates nor adjudicates. The Council is charged with advising the President, Congress, and other federal agencies regarding policies, programs, practices, and procedures that affect people with disabilities.

This rulemaking action would implement the Council's procedures required under the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended; the Privacy Act of 1974 (Privacy Act), 5 U.S.C. 552a, as amended; and the Government in the Sunshine Act (Sunshine Act), 5 U.S.C. 552b, as amended. The FOIA requires agencies to implement procedures for public access to records. This proposed rulemaking describes the procedures for members of the public to request access to records. In addition, this document also proposes procedures for the Council's responses to these requests, including the timeframe for response and applicable fees.

The Privacy Act imposes requirements on agencies that maintain systems of records pertaining to individuals. These requirements include

procedures for an individual to request access to or amendment of information about him or herself maintained in a system of records. This proposed rulemaking describes the Council's procedures for providing individuals access to their records or to request amendment of those records, including the timeframes for response and any applicable fees.

The Sunshine Act requires public meetings for the deliberations of federal agencies headed by collegial bodies comprised of members. Agencies subject to the Sunshine Act must publish procedures for such public meetings. As an agency headed by a Council comprised entirely of individuals appointed by the President and Congress, the Council is subject to the Sunshine Act and must publish a rulemaking to implement its public meeting procedures, including procedures to close meetings when permitted by the Sunshine Act.

Most of the proposed regulatory provisions contained in this notice of proposed rulemaking are drawn directly from requirements specified in the FOIA, Privacy Act, and Sunshine Act. In addition, the Council modeled its proposed procedures on those already adopted by other federal agencies to incorporate for its own use those practices that represent "best practices" for FOIA, Privacy Act, and Sunshine Act administration.

II. Regulatory Analysis and Notices

Executive Order 12866

This proposal is not a "significant regulatory action" within the meaning of Executive Order 12866. The economic impact of these regulations should be minimal, therefore, further economic evaluation is not necessary.

Regulatory Flexibility Act, as Amended

The Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Act of 1996 (5 U.S.C. 601 *et seq.*), generally requires an agency to prepare a regulatory flexibility analysis for any rule subject to notice and comment rulemaking under the Administrative Procedure Act or any other statute, unless the agency certifies that the rule will not have a significant economic impact on a number of small entities. Small entities include small businesses, small organizations, and small government jurisdictions. The

Council considered the effects on this proposed rulemaking on small entities and certifies that these proposed rules will not have a significant impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

The Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104–4, requires each agency to assess the effects of its regulatory actions on state, local, and tribal governments, and the private sector. Agencies must prepare a written statement of economic and regulatory alternatives anytime a proposed or final rule imposes a new or additional enforceable duty on any state, local, or tribal government or the private sector that causes those entities to spend, in aggregate, \$100 million or more (adjusted for inflation) in any one year (defined in UMRA as a “federal mandate”). The Council determined that such a written statement is not required in connection with these proposed rules because they will not impose a federal mandate, as defined in UMRA.

National Environmental Policy Act

The Council analyzed this action for purposes of the National Environmental Policy Act of 1969, 42 U.S.C. 4321 *et seq.*, and determined that it would not significantly affect the environment; therefore, an environmental impact statement is not required.

Paperwork Reduction Act

Under the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 *et seq.*, federal agencies must obtain approval from the Office of Management and Budget for each collection of information they conduct, sponsor, or require through regulations. This proposed action does not include an information collection for purposes of the PRA.

Executive Order 13132 (Federalism)

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, dated August 4, 1999, and the Council determined that it does not have sufficient implications for federalism to warrant the preparation of a Federalism Assessment.

Authority: 5 U.S.C. 552, as amended; Executive Order 12600, 52 FR 23781, 3 CFR, 1987 Comp., p. 235.

§ 10000.1 Purpose and scope.

The regulations in this part implement the provisions of the FOIA.

§ 10000.2 Definitions.

The following definitions apply to this part:

Chairperson means the Chairperson of the Council, as appointed by the President, or any person to whom the Council has delegated authority for the matter concerned.

Chief FOIA Officer means the senior official to whom the Council delegated responsibility for efficient and appropriate compliance with the FOIA, currently delegated to the General Counsel.

Commercial use request means a FOIA request from or on behalf of a requester that seeks information for a use or purpose that furthers their commercial, trade, or profit interests, including pursuit of those interests through litigation.

Confidential business information means trade secrets or confidential or privileged commercial or financial information submitted to the Council by a person that may be protected from disclosure under Exemption 4 of the FOIA.

Council means the National Council on Disability, established by the Rehabilitation Act of 1973 (29 U.S.C. 780 *et seq.*), as amended, and amended

by the Workforce Innovation and Opportunity Act (Pub. L. 113–128) in 2014.

Direct costs are those expenses that an agency incurs in searching for and duplicating (and, in the case of commercial use requests, reviewing) records in order to respond to a FOIA request. For example, direct costs include the salary of the employee performing the work (*i.e.*, the basic rate of pay for the employee, plus 16 percent of that rate to cover benefits) and the cost of operating computers and other electronic equipment, such as photocopiers and scanners. Direct costs do not include overhead expenses such as the costs of space, and of heating or lighting a facility.

Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, or an institution of vocational education, which operates a program or programs of scholarly research. A requester in this fee category must show that the request is authorized by, and is made under the auspices of, an educational institution and that the records are not sought for a commercial use, but rather are sought to further scholarly research. To fall within this fee category, the request must serve the scholarly research goals of the institution rather than an individual research goal.

(1) **Example 1.** A request from a professor of geology at a university for records relating to soil erosion, written on letterhead of the Department of Geology, would be presumed to be from an educational institution.

(2) **Example 2.** A request from the same professor of geology seeking drug information from the Food and Drug Administration in furtherance of a murder mystery he is writing would not be presumed to be an institutional request, regardless of whether it was written on institutional stationery.

(3) **Example 3.** A student who makes a request in furtherance of the completion of a course of instruction would be presumed to be carrying out an individual research goal, rather than a scholarly research goal of the institution and would not qualify as part of this fee category.

Fee waiver means the waiver or reduction of fees if a requester can demonstrate meeting the statutory standard that the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not

primarily in the commercial interest of the requester.

FOIA means the Freedom of Information Act, 5 U.S.C. 552, as amended. The FOIA applies to requests for agency records.

FOIA Officer means the individual to whom the Council has delegated authority to carry out the Council's day-to-day FOIA administration, currently delegated to the Council's Attorney Advisor.

FOIA Public Liaison means the individual designated by the Chairperson to assist FOIA requesters with concerns about the Council's processing of their FOIA request, including assistance in resolving disputes, currently delegated to the Council's Attorney Advisor.

Non-commercial scientific institution means an organization operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any product or research, and not operated on a commercial basis.

Person includes an individual, partnership, corporation, association, or public or private organization other than an agency.

Record means any writing, drawing, map, recording, diskette, DVD, CD-ROM, tape, film, photograph, or other documentary material, regardless of medium, by which information is preserved, including documentary material stored electronically.

Redact means delete or mark over.

Representative of the news media is any person or entity organized and operated to publish or broadcast news to the public that actively gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations that broadcast "news" to the public at large and publishers of periodicals that disseminate "news" and make their products available through a variety of means to the general public, including news organizations that disseminate solely on the Internet. A request for records supporting the news-dissemination function of the requester shall not be considered to be for a commercial use. "Freelance" journalists who demonstrate a solid basis for expecting publication through a news media entity shall be considered as a representative of the news media. A publishing contract would provide the clearest

evidence that publication is expected; however, components shall also consider a requester's past publication record in making this determination.

Requester category means one of the three categories defined by the Uniform Freedom of Information Fee Schedule and Guidelines published by the Office of Management and Budget (OMB Fee Guidelines) in which requesters will be placed for the purpose of determining what if any fees for search, review, or duplication may be assessed. They are:

- (1) Commercial requestors;
- (2) Non-commercial scientific or educational institutions or representatives of the news media; and
- (3) All other requestors.

Submitter means any person or entity from whom the Council obtains confidential or privileged business information, directly or indirectly.

Unusual circumstances exist when:

- (1) The need to search for and collect the requested records from physically separate facilities;
- (2) The need to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
- (3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request.

§ 10000.3 Availability of records.

Records that are required by the FOIA to be made available for public inspection and copying may be accessed through the Agency's Web site at www.ncd.gov. The Council is responsible for determining which of its records are required to be made publicly available, as well as identifying additional records of interest to the public that are appropriate for public disclosure, and for posting and indexing such records. The Council shall ensure that its Web site of posted records and indices is reviewed and updated on an ongoing basis. The Council's FOIA Public Liaison can assist individuals in locating records particular to a component.

§ 10000.4 Categories of exemptions.

(a) The FOIA does not require disclosure of matters that are:

- (1) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and are, in fact, properly classified under executive order;
- (2) Related solely to the internal personnel rules and practices of the Council;

(3) Specifically exempted from disclosure by statute (other than the Government in the Sunshine Act, 5 U.S.C. 552b, as amended), provided that such statute:

(i)(A) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(B) establishes particular criteria for withholding or refers to particular types of matters to be withheld; and

(ii) If enacted after October 28, 2009, specifically cites to Exemption 3 of the FOIA, 5 U.S.C. 552(b)(3);

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memoranda or letters, which would not be available at law to a party other than an agency in litigation with the Council;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority or any private institution that furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

§ 10000.5 Request for records.

(a) You may request copies of records under this part by email to FOIA@ncd.gov or in writing addressed to FOIA Officer, National Council on Disability, 1331 F Street NW., Suite 850, Washington, DC 20004.

(b) Your request shall reasonably describe the records sought with sufficient specificity, and when possible, include names, dates, and subject matter, in order to permit the FOIA Officer to locate the records with a reasonable amount of effort. If the FOIA Officer cannot locate responsive records based on your written description, you will be notified and advised that further identifying information is necessary before the request can be fulfilled. Although requests are considered either FOIA or Privacy Act requests, the Council processes requests for records in accordance with both laws so as to provide the greatest degree of lawful access while safeguarding an individual's personal privacy.

(c) Your request should specify your preferred form or format (including electronic formats) for the records you seek. We will accommodate your request if the record is readily available in that form or format. When you do not specify the form or format of the response, we will provide responsive records in the form or format most convenient to us.

§ 10000.6 Responsibility for responding to requests.

(a) *In general.* The Council delegates authority to grant or deny FOIA requests in whole or in part to the Chief FOIA Officer. When conducting a search for responsive records, the FOIA Officer generally will search for records in existence on the date of the search. If another date is used, the FOIA Officer shall inform the requester of the date used.

(b) *Responses.* The Chief FOIA Officer will notify you of his or her determination to grant or deny your FOIA request in the time frame stated in § 10000.8. The Council will release reasonably segregable non-exempt information. For any adverse determination, including those regarding any disputed fee matter; a denial of a request for a fee waiver; or a determination to withhold a record, in whole or in part, that a record does not exist or cannot be located; or to deny a request for expedited processing; the notice shall include the following information:

(1) The name(s) of any person responsible for the determination to deny the request in whole or in part;

(2) A brief statement of the reason(s) for the denial, including any FOIA exemption applied in denying the request. The FOIA Officer will indicate, if technically feasible, the amount of information deleted and the exemption under which a deletion is made on the released portion of the record, unless including that indication would harm an interest protected by the exemption;

(3) An estimate of the volume of information withheld, if applicable. This estimate does not need to be provided if it is ascertainable based on redactions in partially disclosed records or if the disclosure of the estimate would harm an interest protected by an applicable FOIA exemption; and

(4) A statement that the adverse determination may be appealed and a description of the requirements for an appeal under § 10000.7.

(c) *Consultation, referral, and coordination.* When reviewing records located by the Council in response to a request, the Council shall determine whether another agency of the Federal Government is better able to determine whether the record is exempt from disclosure under the FOIA and, if so, whether it should be released as a matter of discretion. As to any such record, the Council shall proceed in one of the following ways:

(1) *Consultation.* When records originated with the Council, but contain within them information of interest to another agency, the Council should typically consult with that other agency prior to making a release determination.

(2) *Referral.* (i) When the Council believes that a different agency is best able to determine whether to disclose the record, the Council typically should refer the responsibility for responding to the request regarding that record, as long as the referral is to an agency that is subject to the FOIA. Ordinarily, the agency that originated the record will be presumed to be best able to make the disclosure determination. However, if the Council and the originating agency jointly agree that the former is in the best position to respond regarding the record, then the record may be handled as a consultation.

(ii) Whenever the Council refers any part of the responsibility for responding to a request to another agency, it shall document the referral, maintain a copy of the record that it refers, and notify the requester of the referral and inform the requester of the name(s) of the agency to which the record was referred, including that agency's FOIA contact information.

(3) *Coordination.* The standard referral procedure is not appropriate where disclosure of the identity of the

agency to which the referral would be made could harm an interest protected by an applicable exemption, such as the exemptions that protect personal privacy or national security interests. For example, if the Council responding to a request for records on a living third party locates within its files records originating with a law enforcement agency, and if the existence of that law enforcement interest in the third party was not publicly known, then to disclose that law enforcement interest could cause an unwarranted invasion of the personal privacy of the third party. Similarly, if the Council locates within its files material originating with an Intelligence Community agency, and the involvement of that agency in the matter is classified and not publicly acknowledged, then to disclose or give attribution to the involvement of that Intelligence Community agency could cause national security harms. In such instances, in order to avoid harm to an interest protected by an applicable exemption, the Council should coordinate with the originating agency to seek its views on the disclosability of the record. The release determination for the record that is the subject of the coordination should then be conveyed to the requester by the Council.

§ 10000.7 Administrative appeals.

(a) You may appeal an adverse determination related to your FOIA request, or the Council's failure to respond to your FOIA request within the prescribed time limits, to the Executive Director, National Council on Disability, 1331 F Street NW., Suite 850, Washington, DC 20004.

(b) Your appeal must be in writing and must be postmarked or electronically received by the Executive Director within 60 days of the date of the letter denying your request, in whole or in part. For the most expeditious handling, your appeal letter and envelope should be marked "Freedom of Information Act Appeal" and reference the request number.

(c) The Executive Director shall respond to all administrative appeals in writing and within the time frame stated in § 10000.8(d). If the decision affirms, in whole or in part, the Chief FOIA Officer's determination, the letter shall contain a statement of the reasons for the affirmance, including any FOIA exemption(s) applied, and will inform you of the FOIA's provisions for court review. If the Executive Director reverses or modifies the Chief FOIA Officer's determination, in whole or in part, you will be notified in writing and your request will be reprocessed in accordance with that decision. The

Council may work with Office of Government Information Services (OGIS) to resolve disputes between FOIA requestors and the Council. A requester may also contact OGIS in the following ways: Via mail to OGIS, National Archives and Records Administration, 8601 Adelphi Road—OGIS, College Park, MD 20740 (ogis.archives.gov), via email at ogis@nara.gov, or via the telephone at 202–741–5770 or 877–684–6448. Facsimile is also available at 202–741–5769.

§ 10000.8 Timeframe for Council's response to a FOIA request or administrative appeal.

(a) *In general.* The Council ordinarily shall respond to requests according to their order of receipt.

(b) *Multi-track processing.* (1) The Council may use two or more processing tracks by distinguishing between simple and more complex requests based on the amount of work and/or time needed to process the request, including through limits based on the number of pages involved. If the Council does so, it shall advise requesters in its slower track(s) of the limits of its faster track(s).

(2) Using multitrack processing, the Council may provide requesters in its slower track(s) with an opportunity to limit the scope of their requests in order to qualify for faster processing within the specified limits of the Council's faster track(s). In doing so, the Council will contact the requester by telephone, letter, or email, whichever is more efficient in each case.

(c) *Initial decisions.* The Council shall determine whether to comply with a FOIA request within 20 working days after our receipt of the request, unless the time frame for response is extended due to unusual circumstances as further described in paragraph (f) of this section. A request is received by the Council, for purposes of commencing the 20-day timeframe for its response, on the day it is properly received by the FOIA Officer. The request must meet all requirements described by these regulations and the FOIA before the 20-day timeframe commences.

(d) *Administrative appeals.* The Executive Director shall determine whether to affirm or overturn a decision subject to administrative appeal within 20 working days after receipt of the appeal, unless the time frame for response is extended in accordance with paragraph (e) of this section.

(e) *Tolling timelines.* We may toll the 20-day timeframe set forth in paragraphs (c) or (d) of this section:

(1) One time to await information that we reasonably requested from you, as permitted by 5 U.S.C. 552(a)(6)(A)(iii)(I);

(2) As necessary to clarify with you any fee-related issue.

(3) If we toll the time frame for response under paragraphs (e)(1) or (2) of this section, the tolling period ends upon our receipt of your response.

(f) *Unusual circumstances.* In the event of unusual circumstances, we may extend the time frame for response provided in paragraphs (c) or (d) of this section by providing you with written notice of the unusual circumstances and the date on which a determination is expected to be made. Where the extension is for more than ten working days, we will provide you with an opportunity either to modify your request so that it may be processed within the statutorily-prescribed time limits or to arrange an alternative time period for processing your request or modified request.

(g) *Aggregating requests.* When we reasonably believe that multiple requests submitted by a requester, or by a group of requesters acting in concert, involving clearly related matters, can be viewed as a single request that involves unusual circumstances, we may aggregate the requests for the purposes of fees and processing activities.

(h) *Expedited processing.* You may request that the Council expedite processing of your FOIA request. To receive expedited processing, you must demonstrate a compelling need for such processing.

(1) For requests for expedited processing, a "compelling need" involves:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) A request made by a person primarily engaged in disseminating information, with a time urgency to inform the public of actual or alleged federal government activity.

(2) Your request for expedited processing must be in writing and may be made at the time of the initial FOIA request or at any later time.

(3) Your request for expedited processing must include a statement, certified to be true and correct to the best of your knowledge and belief, explaining in detail the basis for requesting expedited processing. If you are a person primarily engaged in disseminating information, you must establish a particular urgency to inform the public about the federal government activity involved in the request.

(4) The FOIA Officer will decide whether to grant or deny your request for expedited processing and notify the requester within ten calendar days of

receipt. You will be notified in writing of the determination. Appeals of adverse decisions regarding expedited processing shall be processed expeditiously.

§ 10000.9 Business information.

(a) *Designation of confidential business information.* In the event a FOIA request is made for confidential business information previously submitted to the Government by a commercial entity or on behalf of it (hereinafter "submitter"), the regulations in this section apply. When submitting confidential business information, you must use a good-faith effort to designate, by use of appropriate markings, at the time of submission or at a reasonable time thereafter, any portions of your submission that you consider to be exempt from disclosure under FOIA Exemption 4, 5 U.S.C. 552(b)(4). Your designation will expire ten years after the date of submission unless you request, and provide justification for, a longer designation period.

(b) *Notice to submitters.* (1) Whenever you designate confidential business information as provided in paragraph (a) of this section, or the Council has reason to believe that your submission may contain confidential business information, we will provide you with prompt written notice of a FOIA request that seeks your business information. The notice shall:

(i) Give you an opportunity to object to disclosure of your information, in whole or in part;

(ii) Describe the business information requested or include copies of the requested records or record portions containing the information; and

(iii) Inform you of the time frame in which you must respond to the notice.

(2) In cases involving a voluminous number of submitters, notice may be made by posting or publishing the notice in a place or manner reasonably likely to accomplish it.

(c) *Opportunity to object to disclosure.* The Council shall allow you a reasonable time to respond to the notice described in paragraph (b) of this section. If you object to the disclosure of your information, in whole or in part, you must provide us with a detailed written statement of your objection. The statement must specify all grounds for withholding any portion of the information under any FOIA exemption and, when relying on FOIA Exemption 4, it must explain why the information is a trade secret or commercial or financial information that is privileged and confidential. If you fail to respond within the time frame specified in the

notice, the Council will conclude that you have no objection to disclosure of your information. The Council will only consider information that we receive within the time frame specified in the notice.

(d) *Notice of intent to disclose.* The Council will consider your objection and specific grounds for non-disclosure in deciding whether to disclose business information. Whenever the Council decides to disclose business information over your objection, we will provide you with written notice that includes:

(1) A statement of the reasons why each of your bases for withholding were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date, which shall be a reasonable time after the notice.

(e) *Exceptions to the notice requirement.* The notice requirements of paragraphs (c) and (d) of this section shall not apply if:

(1) The Council determines that the information is exempt under the FOIA;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with the requirements of Executive Order 12600;

(4) The designation made by the submitter under paragraph (a) of this section appears obviously frivolous, except that, in such a case, the Council shall, within a reasonable time prior to the date the disclosure will be made, give the submitter written notice of the final decision to disclose the information.

(f) *Requester notification.* The Council shall notify a requester whenever it provides the submitter with notice and an opportunity to object to disclosure; whenever it notifies the submitter of its intent to disclose the requested information; and whenever a submitter files a lawsuit to prevent the disclosure of the information.

\$10000.10 Fees.

(a) We will charge fees that recoup the full allowable direct costs we incur in processing your FOIA request. Fees may be charged for search, review or duplication. We will use the most efficient and least costly methods to comply with your request.

(b) With regard to manual searches for records, we will charge the salary rate(s) (calculated as the basic rate of pay plus 16 percent of that basic rate to cover benefits) of the employee(s) performing the search.

(c) In calculating charges for computer searches for records, we will charge at the actual direct cost of providing the service, including the cost of operating the central processing unit directly attributable to searching for records potentially responsive to your FOIA request and the portion of the salary of the operators/programmers performing the search.

(d) Review fees shall be charged for requesters who make commercial use requests. Review fees shall be assessed only for the initial review—that is the review undertaken the first time we analyze the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. We may assess the costs for such subsequent review. Review fees are charged at the same rates as those charged for a search.

(e) *Notice of anticipated fees in excess of \$25.00.* (1) When the Council determines or estimates that the fees to be assessed in accordance with this section will exceed \$25.00, the Council shall notify the requester of the actual or estimated amount of the fees, including a breakdown of the fees for search, review or duplication, unless the requester has indicated a willingness to pay fees as high as those anticipated. If only a portion of the fee can be estimated readily, the Council shall advise the requester accordingly. If the requester is a noncommercial use requester, the notice shall specify that the requester is entitled to the statutory entitlements of 100 pages of duplication at no charge and, if the requester is charged search fees, two hours of search time at no charge, and shall advise the requester whether those entitlements have been provided.

(2) In cases in which a requester has been notified that the actual or estimated fees are in excess of \$25.00, the request shall not be considered received and further work will not be completed until the requester commits in writing to pay the actual or estimated total fee, or designates some amount of fees the requester is willing to pay, or in the case of a noncommercial use requester who has not yet been provided with the requester's statutory entitlements, designates that the requester seeks only that which can be provided by the statutory entitlements. The requester must provide the commitment or designation in writing, and must, when applicable, designate an exact dollar amount the requester is

willing to pay. The Council is not required to accept payments in installments.

(3) If the requester has indicated a willingness to pay some designated amount of fees, but the Council estimates that the total fee will exceed that amount, the Council shall toll the processing of the request when it notifies the requester of the estimated fees in excess of the amount the requester has indicated a willingness to pay. The Council shall inquire whether the requester wishes to revise the amount of fees the requester is willing to pay or modify the request. Once the requester responds, the time to respond will resume from where it was at the date of the notification.

(4) The Council shall make available its FOIA Public Liaison or other FOIA professional to assist any requester in reformulating a request to meet the requester's needs at a lower cost.

(f) We will charge you the full costs of providing you with the following services:

(1) Certifying that records are true copies; or

(2) Sending records by special methods such as express or certified mail.

(g) We may assess interest charges on an unpaid bill starting on the 31st calendar day following the day on which the billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing.

(h) We will not charge a search fee for requests by educational institutions, non-commercial scientific institutions, or representatives of the news media. A search fee will be charged for a commercial use requests.

(i) Except for a commercial use request, we will not charge you for the first 100 pages of duplication and the first two hours of search.

(j) If the Council fails to comply with the time limits in which to respond to a request, and if no unusual or exceptional circumstances, as those terms are defined by the FOIA, apply to the processing of the request, it may not charge search fees, or, in the instances of requests from requesters requests by educational institutions (unless the records are sought for a commercial use), noncommercial scientific institutions, or representatives of the news media, may not charge duplication fees.

(k) After processing, actual fees must be equal to or exceed \$25, for the Council to require payment of fees.

(l) You may not file multiple requests, each seeking portions of a document or documents, solely for the purpose of

avoiding payment of fees. When the Council reasonably believes that a requester, or a group of requesters acting in concert, has submitted requests that constitute a single request involving clearly related matters, we may aggregate those requests and charge accordingly.

(m) We may not require you to make payment before we begin work to satisfy the request or to continue work on a request, unless:

(1) We estimate or determine that the allowable charges that you may be required to pay are likely to exceed \$250; or

(2) You have previously failed to pay a fee charged within 30 days of the date of billing.

(n) Upon written request, we may waive or reduce fees that are otherwise chargeable under this part. If you request a waiver or reduction in fees, you must demonstrate that a waiver or reduction in fees is in the public interest because disclosure of the requested records is likely to contribute significantly to the public understanding of the operations or activities of the government and is not primarily in your commercial interest.

(1) In deciding whether disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government, the Council shall consider all four of the following factors:

(i) The subject of the request must concern identifiable operations or activities of the Federal Government, with a connection that is direct and clear, not remote or attenuated.

(ii) Disclosure of the requested records must be meaningfully informative about government operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. The disclosure of information that already is in the public domain, in either the same or a substantially identical form, would not contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester’s expertise in the subject area as well as the requester’s ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media will satisfy this consideration.

(iv) The public’s understanding of the subject in question must be enhanced by the disclosure to a significant extent. However, components shall not make value judgments about whether the information at issue is “important” enough to be made public.

(2) To determine whether disclosure of the requested information is primarily in the commercial interest of the requester, the Council shall consider the following factors:

(i) The Council shall identify any commercial interest of the requester, as defined in § 10000.2, that would be furthered by the requested disclosure. Requesters shall be given an opportunity to provide explanatory information regarding this consideration.

(ii) A waiver or reduction of fees is justified where the public interest is greater than any identified commercial interest in disclosure. The Council ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed to primarily serve the public interest.

(3) Where only some of the records to be released satisfy the requirements for a waiver of fees, a waiver shall be granted for those records.

(4) Requests for a waiver or reduction of fees should be made when the request is first submitted to the component and should address the criteria referenced above. A requester may submit a fee waiver request at a later time so long as the underlying record request is pending or on administrative appeal. When a requester who has committed to pay fees subsequently asks for a waiver of those fees and that waiver is denied, the requester shall be required to pay any costs incurred up to the date the fee waiver request was received.

(c) If public notice is provided by means other than publication in the **Federal Register**, notice will be promptly submitted to the **Federal Register** for publication.

§ 10002.5 Grounds on which meetings may be closed or information withheld.

A meeting, or portion thereof, may be closed and information pertinent to such meeting withheld if the Council determines that the meeting or release of information is likely to disclose matters that are:

(a) Specifically authorized under criteria established by an executive order to be kept secret in the interests of national defense or foreign policy; and, in fact, are properly classified pursuant to such executive order. In making the determination that this exemption applies, the Council shall rely on the classification assigned to the document or assigned to the information from the federal agency from which the document was received.

(d) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(f) Of a personal nature, if disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Either investigatory records compiled for law enforcement purposes or information which, if written, would be contained in such records, but only to the extent that the production of records or information would:

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to either a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source or sources and, in the case of a record compiled either by a criminal law enforcement authority or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source(s);

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Contained in or relating to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(i) If prematurely disclosed, likely to significantly frustrate implementation of a proposed action of the Council, except that this subsection shall not apply in any instance where the Council has already disclosed to the public the content or nature of its proposed action or is required by law to make such disclosure on its own initiative prior to taking final action on such proposal; and

(j) Specifically concerned with the Council's issuance of a subpoena, or its participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Council of a particular case or formal agency adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

§ 10002.6 Procedures for closing meetings or withholding information, and requests by affected persons to close a meeting.

(a) A meeting or portion of a meeting may be closed and information pertaining to a meeting withheld under § 10002.5 only by vote of a majority of members.

(b) A separate vote of the members shall be taken with respect to each meeting or portion of a meeting proposed to be closed and with respect to information which is proposed to be withheld. A single vote may be taken with respect to a series of meetings or portions of a meeting that are proposed to be closed, so long as each meeting or portion thereof in the series involves the same particular matter and is scheduled to be held no more than 30 days after the initial meeting in the series. The vote of each member shall be recorded and no proxies shall be allowed.

(c) A person whose interests may be directly affected by a portion of a meeting may request in writing that the Council close that portion for any of the reasons referred to in § 10002.5(e), (f), and (g). Upon the request of a member, a recorded vote shall be taken whether to close such meeting or portion thereof.

(d) For every meeting closed, the General Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant basis for closing the meeting. If the General Counsel invokes the bases set forth in § 10002.5(a) or (c), he or she shall rely upon the classification or designation assigned to the information by the originating agency. A copy of such certification, together with a statement by the presiding officer setting forth the time and place of the meeting and the persons present, shall be retained by the Council as part of the transcript, recording, or minutes required by § 10002.8.

§ 10002.7 Changes following public announcement.

(a) The time or place of a meeting may be changed following the public announcement described in § 10002.4. The Council must publicly announce such change at the earliest practicable time.

(b) The subject matter of a meeting or the determination of the Council to open or close a meeting, or a portion thereof, to the public may be changed following public announcement only if:

(1) A majority of all members determine by recorded vote that Council business so requires and that no earlier announcement of the change was possible; and

(2) The Council publicly announces such change and the vote of each member thereon at the earliest practicable time.

§ 10002.8 Transcripts, recordings, or minutes of closed meetings.

Along with the General Counsel's certification and presiding officer's

statement referred to in § 10002.6(d), the Council shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or a portion thereof, closed to the public. Alternatively, for any meeting closed pursuant to § 10002.5(h) or (j), the Council may maintain a set of minutes adequate to record fully the proceedings, including a description of each of the views expressed on any item and the record of any roll call vote.

§ 10002.9 Public availability and retention of transcripts, recordings, and minutes, and applicable fees.

(a) The Council shall make available, in a place easily accessible, such as www.ncd.gov, to the public the transcript, electronic recording, or minutes of a meeting, except for items of discussion or testimony related to matters the Council determines may be withheld under § 10002.6.

(b) Copies of the nonexempt portions of the transcripts or minutes shall be provided upon receipt of the actual costs of the transcription or duplication.

(c) The Council shall maintain meeting transcripts, recordings, or minutes of each meeting closed to the public for a period ending at the later of two years following the date of the meeting, or one year after the conclusion of any Council proceeding with respect to the closed meeting.
