Countervailing Duty Order

In accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC has notified the Department of its final determination that the industry in the United States producing nails is materially injured by reason of subsidized imports of nails from Vietnam. Therefore, in accordance with section 705(c)(2) of the Act, we are publishing this countervailing duty order.

As a result of the ITC's final determination, in accordance with section 706(a) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by the Department, countervailing duties on unliquidated entries of nails from Vietnam entered, or withdrawn from warehouse, for consumption on or after November 3, 2014, the date on which the Department published its preliminary countervailing duty determination in the **Federal Register**,⁴ and before March 3, 2015, the date on which the Department instructed CBP to discontinue the suspension of liquidation in accordance with section

703(d) of the Act. Section 703(d) of the Act states that the suspension of liquidation pursuant to a preliminary determination may not remain in effect for more than four months. Therefore, entries of nails made on or after March 3, 2015, and prior to the date of publication of the ITC's final determination in the **Federal Register** are not liable for the assessment of countervailing duties due to the Department's discontinuation, effective March 3, 2015, of the suspension of liquidation.

Suspension of Liquidation

In accordance with section 706 of the Act, the Department will direct CBP to reinstitute the suspension of liquidation of nails from Vietnam, effective the date of publication of the ITC's notice of final determination in the **Federal Register**, and to assess, upon further instruction by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. On or after the date of publication of the ITC's final injury determination in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below:

Company	Subsidy rate (percent)
Region Industries Co., Ltd	288.56
United Nail Products Co. Ltd ...	313.97
All Others	301.27

This notice constitutes the countervailing duty order with respect to nails from Vietnam pursuant to section 706(a) of the Act. Interested parties may contact the Department's Central Records Unit, Room B8024 of the main Commerce Building, for copies of an updated list of countervailing duty orders currently in effect.

This order is issued and published in accordance with section 706(a) of the Act and 19 CFR 351.211(b).

Dated: July 8, 2015.

Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2012

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) has conducted an administrative review of the countervailing duty (CVD) order on multilayered wood flooring (wood flooring) from the People's Republic of China (PRC).¹ On January 7, 2015, we published the *Preliminary Results* for this administrative review.² The period of review (POR) is January 1, 2012, through December 31, 2012. We find that Fine Furniture (Shanghai) Limited (Fine Furniture) and The Lizhong Wood Industry Limited Company of Shanghai (Lizhong) (also known as Shanghai Lizhong Wood Products Co., Ltd.), the individually examined companies in this administrative review, received countervailable subsidies during the POR. The Department is also rescinding the review of Changzhou Hawd Flooring Co., Ltd. (Changzhou) because it had no shipments of subject merchandise to the United States during the POR.

DATES: Effective date July 14, 2015.

FOR FURTHER INFORMATION CONTACT:

Mary Kolberg or Dana Mermelstein, AD/CVD Operations, Office I, Enforcement and Compliance, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1785 or (202) 482-1391, respectively.

The Issues and Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Department of Commerce

The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Partial Rescission of Administrative Review

On April 4, 2014, we received a timely filed no-shipment certification from Changzhou. Because there is no evidence on the record to indicate that this company had sales of subject merchandise during the POR, and no party objected to our intent to rescind as stated in the *Preliminary Results*, pursuant to 19 CFR 351.213(d)(3), we are rescinding the review with respect to Changzhou.

Methodology

We have conducted this review in accordance with section 751(a)(1)(A) of the Act. A full description of the methodology underlying our conclusions is presented in the Issues and Decision Memorandum.

Use of Facts Otherwise Available, Including Adverse Inferences

For purposes of the Support for Developing a National Technology Standard program, the Department has concluded that, despite two requests, the GOC did not provide the Department with necessary information with respect to the length of time that the subsidy program has been in operation. Accordingly, the Department has determined that the GOC did not act to the best of its ability in responding to the Department's request for information and that the application of facts available with an adverse inference is warranted.¹⁴ Based upon the available facts and the GOC's failure to cooperate to the best of its ability in providing this information as requested, the Department has concluded that the Support for Developing a National Technology Standard program was in existence prior to the POR. For further information, see the section "Use of Facts Otherwise Available and Adverse Inferences," in the Issues and Decision Memorandum.

Final Results of the Review

In accordance with 19 CFR 351.221(b)(5), we calculated individual subsidy rates for the mandatory respondents, Fine Furniture and Lizhong.

For the non-selected respondents, we have followed the Department's practice, which is to base the subsidy rates on an average of the subsidy rates calculated for those companies selected for individual review, excluding *de minimis* rates or rates based entirely on

adverse facts available.¹⁵ We have assigned to the non-selected respondents the simple average of the rates calculated for Fine Furniture and Lizhong. We have used a simple average rather than a weighted average due to

inconsistent units of measure in the publicly ranged quantity and value data.

We find the net countervailable subsidy rate for the producers and/or exporters under review to be as follows:¹⁶
