Western Maricopa County, Arizona;  
Notification of Proposed Production  
Activity; The Cookson Company, Inc.  
(Rolling Steel Doors); Goodyear,  
Arizona**

The Cookson Company, Inc. (Cookson) submitted a notification of proposed production activity to the FTZ Board for its facility in Goodyear, Arizona within FTZ 277. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on July 13, 2015.

The Cookson facility is located within Site 11 of FTZ 277. The facility is used for the assembly and production of rolling steel doors. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Cookson from customs duty payments on the foreign status components used in export production. On its domestic sales, Cookson would be able to choose the duty rates during customs entry procedures that apply to rolling steel doors (duty-free) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: hand and roller steel chains; limit switches; single-phase AC electric motors/gear motors; multi-phase AC electric motors/gear motors; steel cranks; motor overload protectors; mounted and unmounted timers for door closure assemblies; power boards; transformers (40VA or greater); electro-mechanical alarm interfaces; fire door testing releases and converter mechanisms; steel door limits; contactors; battery backups; and, steel bolts (duty rate ranges from duty-free to 6.6%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 31, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room

**DEPARTMENT OF COMMERCE****International Trade Administration****[A-549-821]****Polyethylene Retail Carrier Bags From  
Thailand: Notice of Initiation and  
Preliminary Results of Antidumping  
Duty Changed Circumstances Review**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) preliminarily determines that TPBI Public Company Limited (TPBI) is the successor-in-interest to Thai Plastic Bags Industries Company Limited (Thai Plastic Bags) for purposes of the antidumping duty order on polyethylene retail carrier bags (PRCBs) from Thailand and, as such, will be entitled to Thai Plastic Bags's exclusion from the antidumping duty order. We invite interested parties to comment on these preliminary results.

**DATES:** *Effective:* July 20, 2015.

**FOR FURTHER INFORMATION CONTACT:** Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0410.

**SUPPLEMENTARY INFORMATION:****Background**

On June 18, 2004, the Department published the *Order* on PRCBs from Thailand.<sup>1</sup> On August 12, 2010, the Department revoked the *Order* on PRCBs from Thailand with respect to PRCBs manufactured and exported by

Thai Plastic Bags as the result of a section 129 proceeding.<sup>2</sup>

On June 4, 2015, TPBI requested that the Department initiate an expedited changed circumstances review to confirm that TPBI is the successor-in-interest to Thai Plastic Bags for purposes of determining antidumping duty liabilities.<sup>3</sup> The petitioner supports TPBI's request for this changed circumstances review.<sup>4</sup> We received no comments opposing TPBI's request.

**Scope of the Order**

The merchandise subject to the order includes PRCBs from the Thailand. PRCBs are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheading 3923.21.0085. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description is dispositive.<sup>5</sup>

**Methodology**

In making a successor-in-interest determination, the Department typically examines several factors including, but not limited to, changes in: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base.<sup>6</sup> While no single factor or combination of factors will necessarily be dispositive, the Department generally will consider the new company to be the successor to the predecessor if the resulting operations of the successor are essentially the same as those of its predecessor.<sup>7</sup> Thus, if the

record demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, the Department may assign the new company the cash deposit rate of its predecessor.<sup>8</sup> For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I of this notice.

#### Initiation and Preliminary Results of the Changed Circumstances Review

Pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(d), the Department will conduct a changed circumstances review (CCR) upon receipt of a request from an interested party or receipt of information concerning an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. Section 351.221(c)(3)(ii) of the Department's regulations permits the Department to combine the initiation and preliminary results of a CCR if the Department concludes that expedited action is warranted. In this instance, we have information on the record necessary to reach the preliminary results of CCR. As such, we find that expedited action is warranted. Accordingly, we have combined the preliminary results with the initiation.

We preliminarily determine that TPBI is the successor-in-interest to Thai Plastic Bags for the purposes of administering the Order and its revocation with respect to Thai Plastic Bags. The Preliminary Decision Memorandum provides a full description of the analysis underlying our conclusions.
