Estimated Annual Reporting and Recordkeeping “Non-hour” Cost Burden: There are no additional recordkeeping costs associated with this information collection. However, ONRR estimates five appellants per year will pay a \$50 fee to obtain credit data from a business information or credit reporting service, which is a total “non-hour” cost burden of \$250 per year (5 appellants per year × \$50 = \$250).

Public Disclosure Statement: The PRA (44 U.S.C. 3501 *et seq.*) provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Comments: Section 3506(c)(2)(A) of the PRA requires each agency to “* * * provide 60-day notice in the **Federal Register** * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *.” Agencies must specifically solicit comments to: (a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information that ONRR collects; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

To comply with the public consultation process, we published a notice in the **Federal Register** on February 19, 2014 (79 FR 9475), announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. We received no comments in response to the notice.

If you wish to comment in response to this notice, you may send your comments to the offices listed under the **ADDRESSES** section of this notice. OMB has up to 60 days to approve or disapprove the information collection, but they may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive public comments by February 26, 2015.

Public Comment Policy: ONRR will post all comments, including names and addresses of respondents, at <http://www.regulations.gov>. Before including Personally Identifiable Information (PII), such as address, phone number, email address, or other PII in your comment(s), you should be aware that your entire comment (including PII) may be made available to the public at any time. While you may ask us in your comment to withhold PII from public view, we cannot guarantee that we will be able to do so.
