The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 5, 2015 at 80 FR 25707.

A. Overview of Information Collection

Title of Information Collection: Certification and Funding of State and Local Fair Housing Enforcement Agencies.

OMB Approval Number: 2529–0005.

Type of Request: Extension of currently approved collection.

Form Numbers: None.

Description of the need for the information and proposed use:

A. Request for Substantial Equivalence

For a state or local law to be certified as “substantially equivalent” and therefore be eligible to participate in the Fair Housing Assistance Program (FHAP), the Assistant Secretary for Fair Housing and Equal Opportunity must determine that the state or local law provides substantive rights, procedures, remedies, and the availability of judicial review that are substantially equivalent to those provided in the federal Fair Housing Act (the Act).

State and local fair housing enforcement agencies that are seeking certification in accordance with Section 810(f) of the Act submit a request to the Assistant Secretary for Fair Housing and Equal Opportunity. The request must be supported by the text of the jurisdiction's fair housing law, the law creating and empowering the agency, all laws referenced in the jurisdiction's fair housing law, any regulations and directives issued under the law, and any formal opinions of the State Attorney General or the chief legal officer of the jurisdiction that pertain to the jurisdiction's fair housing law.

B. Information Related to Agency Performance

Once agencies are deemed substantially equivalent and are participating in the FHAP, HUD collects sufficient information to monitor agency performance in accordance with 24 CFR 115.206, which sets forth the performance standards for agencies participating in the FHAP. These standards are meant to ensure that the state or local law, both “on its face” and “in operation,” provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act. In addition, HUD collects sufficient information to
